IRISH NIGHT
Dinner and Interesting Programme for Knights of Columbus in Honor of St. Patrick.

The celebration of St. Patrick's Day, postponed from March 17 on account of the Lenten season, was carried out by St. John Council, Knights of Columbus, last night. Dinner was served in the knights' spacious hall, more than 200 being in attendance. E. J. Henneberry, the grand knight, presided. Judge Carleton, who was the speaker of the evening, gave an interesting resume of Irish history, dealing with various questions of interest in that country from early days to the present. Speaking of the present disturbances prevailing there he said that he endorsed the sentiment expressed by the

"BEHOLD MY WIFE!"

Sir Gilbert Parker's Canadian Novel

With Milton Sills Elliott Dexter Mabel Julianne Scott

Was this the "untamed Indian squaw" he had married in scorn and sent home from the wilds to disgrace his family? This lovely, sweet-faced mother of his boy? Suddenly swept by the truth—what she had made of so little—what he had done with so much—he fell on his knees and begged her to forgive. A story that binds the great Northwest with the drawing rooms of London.

SHE saw it all!—the triumph she craved, the way to attain it, and the price she would have to pay. Then calmly, deliberately, she made her choice: "I'll do it!" and plunged into the big, fierce game for power and human hearts.

Do you think that a woman with beauty, brains and ability to attract men can live her own life, regardless, and win? See beautiful Catherine Calvert in Elinor Glynn's amazing history of such a woman's soul—then answer.

The Dread Pyorrhea Begins With Bleeding Gums

Pyorrhea's infecting germs cause many ills. Medical science has proven this.

Diseased conditions, which not long ago doctors were unable to trace to a cause, are now known often to be the result of Pyorrhea germs that breed in pockets about the teeth. Rheumatism, anaemia, nervous disorders and other diseases have been traced in many cases to this Pyorrhea infection.

Don't let Pyorrhea work its wicked will on your body. Visit your dentist frequently for tooth and gum inspection.

And watch your gums yourself. Pyorrhea, which afflicts four out of five people over forty, begins with tender and bleeding gums; then the gums recede, the teeth decay, loosen and fall out, or must be extracted to rid the system of poisons generated at their base.

Forhan's For the Gums will prevent Pyorrhea—or check its progress, if used in time and used consistently. Ordinary dentifrices cannot do this. Forhan's keeps the gums hard and healthy—the teeth white and clean. Start using it today. If gum-shrinkage has already set in, use Forhan's according to directions and consult a dentist immediately for special treatment.
