

UNITED STATES TO "BLACKLIST" ITS WAR DESERTERS

New Fewer Than 173,911 Reported to Have Failed in Duty

Will Be Hunted Down — All Subject to Courts-Martial and Will Be Denied "Unjustifiable Leniency."

Washington, Aug. 19.—The War Department will soon publish to the country the names of 173,911 men who are listed in the records of the department as men who "willfully failed" their country in its hour of peril.

The rounding up of the deserters will be a man hunt, the like of which probably never took place in any country in the world.

The statement issued today from the office of the secretary of war, in part reads:—"Out of over 24,000,000 registrants, the maximum number chargeable with willful desertion is 173,911, considerably less than one per cent. of the total registration, and a tremendous improvement over the draft record of the Civil War.

Logan Felt Like His Time Was Near Before He Begon Taking Tanlac.

"My health had just about reached the point where I could stand the strain no longer, but Tanlac has practically made a new man out of me and I'm now feeling fine."

"For over three years I was in such a terrible nervous condition that I was wasting away to a shadow. My appetite was very poor, and my stomach and nerves were in such awful condition that they worried me nearly all the time.

"My nerves became so shattered that I was a trembling nervous wreck, and sleep was almost out of the question. Why, many times I would have to sit up over my body, and they would often hurt me so bad that I almost doubled me up like a jackknife.

"One day my son, who is a great believer in Tanlac, said to me, 'Dad, why don't you try Tanlac, and see what it can do for you?'

LEMON JUICE TAKES OFF TAN

Girls! Make bleaching lotion if skin is sunburned, tanned or freckled

Squeeze the juice of two lemons into a bottle containing three ounces of Orchard White, shake well, and you have a quarter pint of the best freckle, sunburn, and tan lotion, and complexion beautifier, at very, very small cost.

Your grocer has the lemons and any drug store or toilet counter will supply three ounces of Orchard White for a few cents. Massage this sweetly fragrant lotion into the face, neck, arms and hands each day and see how freckles, sunburn, windburn and tan disappear and how clear, soft and white the skin becomes. Yes! It is harmless.

FEED NERVES PLENTY OF PHOSPHATE IN SUMMER

Keen Minded Men, Energetic and Successful Rely on It, Asserts Prominent New York Physician.

Men and women, nervous and fretful, easily upset and often fatigued, need plenty of organic phosphorus, and the sooner they heed this advice the better their health will be.

Every one of the millions of cells that make up your body, phosphorus is a most important part.

Your nervous system, your brain, your blood and even your bones must have a sufficient supply of phosphorus or weakness, a general nervousness and a downward condition, as well as lack of normal mental power is sure to result.

Big men of affairs—mighty men who control industries because of sheer will power and nervous force, know this, or if they don't, they are clever enough to have a physician who does.

Physicians more and more are realizing that Bitro-Phosphate, as dispensed at drug stores, is a necessity to over forty per cent. of men and women, because present day foods do not contain enough phosphate to feed the body and especially the nervous system the supply it needs.

Speaking on this very subject, Dr. Frederick S. Kelle, Editor-in-Chief of Physicians' "Who's Who" and a nationally known author of medical text books, in a most emphatic statement said:

"If I had my way, Bitro-Phosphate should be prescribed by every doctor and used in every hospital."

Later, Dr. Kelle said: "When the nerve tissue begins to lose its vitality, woman begins to lose her youth and vivaciousness. Her lively, pleasant disposition fades away—she becomes irritable, uncompanionable, moody and despondent. It would indeed be a godsend if more men and women were aware of the efficacy of Bitro-Phosphate."

Hot weather is dreaded by men and women who are weak, thin, nervous, timid and lacking in vigorous development because it saps their vitality almost to the breaking point.

To all such people Bitro-Phosphate is recommended because it is the one organic phosphate which, when absorbed by the system, will supply the element necessary for a vigorous, healthy body free from any suggestion of weakness or disordered nerves.

Your druggist has Bitro-Phosphate in the original package with complete instructions for best results.

SINGS PRAISES OF THE R. N. W. M. P.

Rev. R. G. MacBeth Writing History of the Force — Forty-Seven Years of Service.

Calgary, Alta., Aug. 18.—The traditions of forty-seven years of service in western Canada, have been upheld by the devoted duty of Corporal Usher and Constable Bailey, who were killed while attempting the arrest of the train bandits at Bellevue recently, said Rev. R. G. MacBeth, historian of the old Royal North West Mounted Police. Rev. Mr. MacBeth is editor of "Scarlet and Gold," the organ of the association of ex-mounted policemen, and is now engaged in writing the history of the old force. He has been to Ottawa delving into the archives.

"The incidents at Bellevue," he said, "show three characteristics of the force in their refusal to count odds, when duty had to be done, in their refusal to take human life unless unavoidable and in the determination to secure the arrest of a criminal if he had to be followed to the ends of the earth."

"In connection with this second characteristic, police sent to arrest men have often lost their lives rather than be the first to shoot. One case is that of Sergeant Odebrook, who was killed by "Almighty Voice" a few years ago near Prince Albert, although the sergeant was warned by the interpreter he was risking his life in approaching the desperate Indian."

"The case of Sergeant Wild, of High River, was also mentioned. "Wild," who was following an Indian outlaw, might easily have taken his life but he preferred to wait and bring the man to justice. The Indian turned suddenly and shot the policeman."

A case of local interest is the one in which Inspector Spalding, then a sergeant-major, and two men were sent to capture a horse thief, Lafrembyse, a halfbreed, who was in a Saskatchewan halfbreed settlement. It was on New Year's day when many of the men were celebrating by heavy drinking and showed a decided disposition to annihilate the few mounted policemen. But the arrest was made by Spalding and the criminal taken and afterwards received five years."

Rev. Mr. MacBeth continued: "The important thing in connection with the dominion-wide organization is that the high prestige of the force for maintaining law and order be maintained in Canada. The police have never played favorites and never stood for nonsense."

HAVE REAL BEER AGAIN. Berlin, Germany, Aug. 19.—The German people are cheered by the news of better and cheaper beer in sight. Breweries at last are in a position to discontinue the manufacture of weakening water beer. Today full strength beer is on tap.

Detective Donahue was sworn in yesterday before Magistrate Ritchie as a provincial constable so that all the members of the local detective force are now provincial constables.

PIMPLES ITCHED AND BURNED

Face Was Badly Disfigured. Cuticura Soap and Ointment Healed.

"Small red pimples and blackheads began on my face and my face was badly disfigured. Some of the pimples festered while others scaled over and there were places where the pimples were in blotches. They used to itch and burn terribly. I saw an advertisement for Cuticura and I tried them. They stopped the itching and burning and I used four cakes of Soap and three boxes of Ointment which healed me." (Signed) Miss V. A. Haynes, Storrs, N. S., Dec. 26, 18.
