## Hot Baked Potatoes

are not only a relish, but often a treat. Imagine though, your disappointment—or that of a guest—on breaking open a potato, to find it bad inside.

It often happens that you can't tell whether a potato you are baking is good or bad, until you have broken it at the table.

You can always depend, though, on Clements' Selected Potatoes, which come in Peck Packages or larger quantities, are brought, every week, to your kitchen door, and are Guaranteed Good, yet they

The preliminary hearing was begun yesterday afternoon in the case against Joseph Looney charged with the misappropriation of money amounting to about \$150, which he is said to have collected for Court Brothers while in their employ. Beale C. Quinlan, bookkeeper for the firm, was the only witness. Twenty-two different statements of accounts were shown to her which she said were not all paid to the cashier. They were all accepted by "Joseph Looney." C. F. Inches appeared for the complainant and E. S. Ritchie for the prisoner.

## Three Weeks of Union Evangelistic Meetings in West End

Interest still keeps at high pitch in the City Hall, West End. Large numbers gather each evening to hear Dr. Burrows. He has preached every afternoon and evening, except Saturday evenings, since the opening of the campaign March 18.

It is estimated that in the time that has elapsed more than 41,000 persons have listened to him. About 400 persons have expressed intention to devote their lives to God's service. The ministers during the last few nights have expressed themselves from the platform as being well pleased with the work accomplished, and have declared themselves to be in the heartiest sympathy with the movement.

What seemed to puzzle them was that so many members of their churches had not yet given their aid to the movement.

Last evening Dr. Burrows preached a beautiful and touching sermon on "The Earnest Christ." The keynote was that Christ never gives up the search for the lost. One may reject Jesus yet the Saviour will still seek to bring about a reconciliation between the lost soul and his God.

A beautiful song in a beautiful manner "Why not say yes tonight." By special request Mr. Van Home repeated "Life's Railway to Heaven," and at the close of the sermon he told the story of the song "Tell Mother I'll be There," and sang the song.

Willie Ritchie's trip to the east was a profitable one. When he returned to St. John, the bank was the first place he visited. He announced he had cleared about \$15,000 on his trip, and as Ritchie is one of the wise boys, it is a good bet that the greater part of it is now mingling with the other "bunkies" he has stored away in the bank.
