NOTE THE DIFFERENCE.

A Houston letter of Oct. 12 in the Bangor Commercial says:

"The season has been extremely cold and backward in some sections while in other sections the farmers have their potatoes already housed. Many farmers report a fine yield while others claim that their yield is small. One farmer reported that on 18 acres of potatoes he did not average over a peck of potatoes after being withered and his potatoes did not have to be sorted, being uniform and of good size, while a farmer living a few miles distant who had planted 25 acres said that he had hauled over 300 barrels to the factory. The price is not what the farmer would like to see but many are being hauled to market, the price ranging around \$1.25 per barrel.

Potatoes are only fifty to seventy cents per barrel in Carleton county.

## TRIAL OF LIEUTENANT BECKER IN NEW YORK IS EXPECTED TO LAST FOR SEVERAL WEEKS

### DIVORCERS PLEASE LARGE AUDIENCE

Sardou's Comedy is Well Presented by Miss Adams and Young-Adams Company

It was a crowded house that greeted the Young-Adams Company in the Opera House last night. Their presentation of "Divorcors" was very well received by the large audience, and if the applause can be taken as a criterion, the company had an auspicious opening, which augurs well for a successful engagement. The company is a well balanced one and all the parts were handled faultlessly. H. Wilcox Young and Miss Marie Adams, the leaders, deserve special mention for their excellent work.

The vaudeville with this company is a very high class, and they all add to the success of the evening's entertainment. The comedies are well presented, and the comedians are well equipped with musical instruments.

Epitomized, it was a well pleased and happy audience that greeted the comedians. The comedy throughout is of the most refined and sparkling kind, abounding in real wit and the company has an abundance of opportunities for their excellent work.
