UMBRELLAS REPAIRED AND REcovered. J. Stekolky, 578 Main street. 17196—10—15

The first of approximately 100 new steel passenger cars have been delivered to Canadian National Railways and it is confidently expected that the entire order comprising six classes of cars will be completed by the end of January, 1920. It had been thought that the Canadian builders might have been hampered by the convulsion in labor in the steel trade in the United States, but George E. Smart, general master car builder of the Sale, watch repairing, seven years in Waltham factory. G. B. Huggard, 67 Peters street.
