

Judge Advocate

B1

Having regard to the seriousness of the charges against the accused and the possibility of a severe sentence I elaborated upon all of the proceedings. I called the attention of the accused to the fact that his defg offr had legal qualifications and had no doubt fully warned him as to the seriousness of his plea. I then warned him fully as to the offences, the severe punishment which might follow and the legal effect of his plea. He expressed himself as fully understanding the situation and as being fully satisfied.
