e what persons leaning on tead of leaning on the law selves laid by the heels not have a care. If one ALWAYS IN ADVANCE. General advertising \$1 an inch for firs ertion, and 25 cents an inch for continu ions. Contracts by the year at Rea

contract as ground for divorce, and therefore Bishop Littlejohn's conduct in promoting his daughter's suit was looked upon as at least inconsistent. It appears to have been in consequence of this Bishops of Connecticut, New Jersey, Newark and New York, for relief and this they have given in the form of the decree already referred to. The bishops do not say why the marriage is null and

rem them not as ministers, but as off-ing of adjournment and after routine pro-ceeded with private legislation. The ing the bill to prevent British form taking seals in Behring emarriage performing power altogeth-ing the solution of the British Government in ing the bill to prevent British food Davin, to wit, and the minister of the interior. Mr. Davin asked that per orders sent last week. The su referred to at today's meeting and there is reason to the interior. Mr. Davin asked that per orders sent last week. The su referred to at today's meeting and there is reason to the interior. Mr. Davin asked that per orders sent last week. The su referred to at today's meeting and there is reason to the minister of driving a hard bargain h." He would better have said the point of the law, on the ene hand, at the law, on the other, by church as such, he or she will be very p find himself or herself in juil to overcome him. He plainly asserted

sel only to have him carried off to a fo eign port so it is possible some and, r

to of the law, for it any man of a his communion undertakes, it policy was "green grocer statesman-ic policy was "green grocer statesman-is pol-ship." He spoke of the department's avaricious pockets and declared that he is avaricious pockets and the power such, he or she will be very ind himself or herself in jail, churches have nothing to do though ministers have some-constructions are some and the power and the power though ministers have some-constructions are some and the power and the power constructions are some and the power and the power and the power such, he or she will be very that minister Dewdney had told an un-churches have some-comparelly as nervonal as he was a muse Island navy yard will be sent north

churches have nothing to de terminate generally as personal as he was amus-though ministers have some-ing. generally as personal as he was amus-ing. as civil officers for mar-poses. With divorces or divorc-length, explaining how the matter had her churches or ministers have remained so long on the order paper. He whatever to do, nor with He refered to Mr. Davin's personal habits
