WAR CRISIS MORE ACUTE.

Today or Tomorrow Will Decide the Issue.

Japan Rushing Preparations for War-12,000 Troops Reported Landed in Corea.

TOKIO, Jan. 28, 8 p. m.—No reply has yet been received from St. Petersburg. PORT ARTHUR, Jan. 28.-High offi-

combatants for whose transportation ships are is readinass.

LONDON, Jan. 22.—The Daily Graphits this moraing says it understands sprang forward, snatching the little sprang forward anger.

The options struck the sake way from danger.

The options struck the sake way from the little spranger of union struck the sake way from the sake way from the little spranger of union struck the sake way from the little spranger of u

neutral zone.

The correspondent of the Morning Pest, at Che Foe, has sent an alarming report that 12,000 Japanese troops have landed at Masham-Po, in southern Kerea, and the Port Arthur correspondent of the Paris edition of the New York Herald, also refers to the fact that the news of the eccupation of Mesampho is being received calmly. These reports are discredited by Baron Hayrani.

Hayashi.

LONDON, Jam. 23.—The Tokic correspondent of the Daily Mail wires:
The Jafi Shimps says that on the day following the radication of the Chinese-American treaty, Russia notified Japan that it was useless to hagotiate a neutral some on the Ta La, as the radification of both treaties showed that Manchurla was Chinese domain."

main.

The Shanghai correspondent of the Daily Mail declares that the Chinese government has learned that Russia is sending a large force to Chinese

regarded as being nighty significant.
The Kekumin Shimbun in a war-like editurial declares that the arrival or non-arrival of Russia's reply does not affect the situation and says:
"Every hope of securing the legitimate demands of Japan diplematically has been abandened, and the government, therefore is compelled to take such steps and to reserve to itself such foundation of artien as will ensure perarmed assistance of the powers for the maintenance of the integrity of the

empire, quite irrespective of any action on the part of Japan. BATHING IN ICE-COLD WATER.

began taking daily winter baths in the began taking daily winter baths in the Mohawk river several years ago, is still at it. He has not missed a day this winter, daspite the fact that the tem-perature the last week ranged from 18 to 80 degrees below zero.

Whether or not he has been bene fited, the fact remains that Prof. Sugarman is a fine looking specimen of the healthy man. Since he began taking these Arctic plunges he says that he is no longer troubled by colds

n the head or cetarrh.

At present he is obliged to cut the and overcouts, and seems to thrive on exposure to cold that would immediately kill an average man.

ALREADY HAD EXPERIENCE.

Stories about the late Lord Salisbur Stories about the late Lord Salisbury of knowing some of his parliamentary supporters recall the fact that Lerd John Russell, when British prime minister many years age, made the acquaintance of the late Earl of Stain, then Lord Dairymple, at a country house and was immensely taken with

RACE TO HOSPITAL WITH DEAD CHILD.

Boy Snatches Little One From Under a Horse Car, Hoping to Save Its Life.

Presence of mind and true bravery, such as are seldom displayed by one of his age, were exhibited by a fifteen year-old lad yesterday afternoon in a vain attempt to save the life of Mor-ris Hyman, three years old, who was run over by a horse car on First avenue. That he is made of the stuff of which heroes are made was further proved when the boy disappeared aft

Morris Hymen was one of several children in the family of Mrs. Sophis street. Another child, Rebecca, five years of age, attends a kindergarten

Before the older men could act. a boy, appearing to be no more than fitteen years of age, dragged the mangled body of the baby from under the car, and, without waiting for orders or suggestions, ran as fast as he could to Flower Hospital, which he reached so out of breath that he could not speak.

He placed the child in the care of a semicining which is already given to the door. What effect this will have on the mention of the stated until a communication is received from the Montreal office. But the management of the C. P. R. will strongly object to anything which can interfere with traffic.

surgeon and waited only long enough to learn that his effort had been in vain, and that the baby had been almost instantly killed. Then he started away. He was halted by a house tal attendant, who asked his name. the lad made a bashful reply, and, wiping the tears from his eyes, went on, no one knowing who he was.

That is Where Alaskan Rivers Begin

(St. Louis Republic.)
The waters of Alaska freeze from the ottem. One may be gliding along on a glassy lake, with a gorgeous sun Turkistan.

The St. Petersburg correspondent of the Daily Telegraph cables: "I learn that a difficulty has arisen through reluctance to grant the same freedom of immigration into Manchuria to the Japanese as to other foreigners, for fear that the Japanese would soon everum the prevince. Whatever concessions, however, Russia offers regarding Manchuria will probably be offered in the first instance to the United States."

LONDON, Jan 22.—A despatch to the Central News from Tokic says: An extraordinary issue of the Gasette has been published, containing an imperial ordinance approving the various coast defense regulations and forbidding under stated penalties the navigation of private vessels, fishing within specified areas or the carrying out of marine work which might be infinical to Japanese naval interests. The decree is large as a large as a large as a large piece of gravel scaled up inside.

it; some have a large piece of gravel sealed up inside.
The old sojourner will row for the possible to extract a rowboat, and equally impossible to leave it. By merning the cold air of the upper world will have welded all this mass together.

shop making a winter. Each tiny grain to the surface. The fact of its being anchored to the gravel at the bottom has given it the name of "anchor ice," and that freeze-up is expressively call-
