Uncle Walt The Poetic Philosopher

The other night I took a walk, and called on Jinx, across the block. The home of Jinx was full of boys and girls and forty kinds of noise. Dad Jinx was good and kind, and straight; he let the children go their gait; he never spoke a sentence cross, he never showed that he was boss, and so his home, as neighbors know, was like the Ringling wild beast show. We tried to talk about the crops, the children raised their frowns, they jarred me with a carpet tack, and poured ice water down my back; my long coat tails they set afire, and this aroused my slumbering ire. I rose, majestic in my wrath, and through those children mowed a path, I smote them sorely, hip and thigh, and piled them in the wooded night; I threw their father in the well, and fired his cottage with a yell. Some rigid moralists, I hear, have said my course was too severe, but their rebuke can not fright—my conscience tells me I was right.

GREAT OUTLOOK HARD HITTING THERE FOR THIS FOR THE TRAFFIC NEW THEOLOGY

H. P. Timmerman, industrial agent for the Canadian Pacific Railway, who has recently returned from Grand Lake and vicinity, stated to the Sun last evening that there were great traffic possibilities in that section of Queens and Sunbury counties.

"The coal in that section of New Brunswick is needed in Fredericton, Woodstock and the other towns in the western part of the province. There is no need of it here in St. John, for Nova Scotia supplies this market."

Continuing, Mr. Timmerman said that this railway connection between Minto and Fredericton was necessary for the proper development of the Grand Lake coal areas. He said he did not care, however, to hazard an opinion as to whether a provincial government or the Canadian Pacific would complete the Chipman-Fredericton line.

Concerning the scheme for the establishment of industries at points along the line of the Intercolonial Railway which has been proposed, Mr. Timmerman said that a similar scheme had been operated by the Canadian Pacific for some time and with some success. Lately the money market had been tight, and that difficulty had been experienced in working out the scheme. The provinces of Quebec and Ontario were the chief beneficiaries of the plan, which the planting of industries had been attempted.

One letter Mr. Blake says: "It is to be observed that the Church of England has never, as in some of the Presbyterian colleges, watered down the solemn covenant to be entered into when the student applies for entrance to the church, by accepting the qualifying words, 'I believe substantially' in the Bible. Such a qualification leaves the whole matter at large. It is for the student to determine what is 'substantially' to him."

MONCTON, Aug. 26.—At this afternoon's session of the Canadian Brotherhood of Railway Employees, Grand President, A. R. Mosher, Halifax; grand vice, G. N. Palmer, Moncton; grand vice for Quebec, J. A. Lamontagne, Lévis; grand vice for N. B. S. McKinnon, Sydney; grand vice for P. E. Island, G. A. Robertson, Moncton; grand secretary, treasurer, M. McLean; grand sec. sec. F. E. Lawrence, Moncton; grand chaplain, Charles Cole, Moncton; grand warden, W. B. Collins, St. John; grand past president, Wm. Allen, Halifax; grand board of directors, T. Jenkins, Lévis; J. Bouchard, River du Loup, for Quebec; J. H. H. Kinnear, Moncton, for N. B.; W. J. McPherson, Sydney, F. McPherson, Point Tupper, for P. E. I.; E. McLeod for P. E. I.; J. D. Sullivan, Halifax, official journal man.

It was decided to hold the next convention in Charlottetown next August. The output today is at least five hundred tons greater than half average quantity obtained previous to the strike.

A German workman from No. 2 colliery was badly beaten by four strikers near the shipping pier last evening. The German was met by the strikers and asked why he was working. Not being able to understand the English language very well the German could not give a satisfactory explanation of his position. The gang then turned upon him and gave him a severe beating. He was rendered unconscious by a blow and was found in this condition by friends who were attracted to the spot by his cries for help. He was carried to his home half an hour later another German from the Dominion while at the wharf was set upon by four men, presumably the same parties. The German in order to defend himself from the attacks of the men, pulled out a knife and stabbed one of his assailants in the arm. The gang then left the spot in a hurry. The German did not recognize his assailants and it is not likely they will be captured.

Town Solicitor Carroll has given his decision in the question of liability of the town for payment of soldiers now on duty here and for the furnishing of winter quarters for them. The solicitor is of the opinion that the town is liable for the pay of the soldiers as well as the cost of transportation and lodging under section 889 of the Militia Act.

As to providing winter quarters, the solicitor is of the opinion there is no way to compel the town to furnish lodgings, but that the town will be responsible for the cost of such lodging when furnished by the militia department.

Mr. McCullough, vice president of the U. M. W., left last night for Indianapolis, and it is doubtful if he will return.

AMUSEMENTS

'MEXICAN BILL THE SCOUT' AT STAR.

Those who enjoy the pictures that make the blood tingle with real red blood, pictures of dashing horsemen and deeds of desperate daring will be delighted with this strong melodramatic feature at the Star tonight and tomorrow, including the big Saturday matinee. "Mexican Bill The Scout" is a truly western film in every sense. The other features are Edison's "Closed On Sunday" and the screaming comedy "Hiring A Girl." Extra pictures for the matinee. Miss Edwards in a pretty song and plenty of catchy music.

NEW PICTURES AND MUSIC AT THE NICKEL.

Good music and excellent motion pictures, not to mention Mr. DeCruz Cairns' charming contribution, await Nickel patrons today and on Saturday. It is one of the best bills of the season and will include the Bush Family Quintette, in the following selections: (1) Andante Religioso; (2) Master Melvin Bush's violin solo, Chopin's Nocturne Opus 9 No. 2 and (3) a Hungarian dance by Brahms. Last evening the audience went in raptures over this bill and expects were in demand regularly. One of the pronounced successes of this musical programme, however, was Mr. Cairns' rendition of the old sea song, "Asleep In The Deep" with the amazing gamut orchestra. The local baritone was rapturously applauded. Today and tomorrow there will be a complete new list of pictures, dramas, comedies and scenic. The Saturday matinee will be a bumper.

LAST BALL PICTURES AT H. H. H.

Today the H. H. H. will present the last of the series of special sporting pictures. These to be shown today are the Marathons, St. Peter's, St. Joseph's, Clippers, Frank White and His Old Rival Arthur Brady and the Halifax Bicycle Club, Y. M. C. A. Gymnasium Clean, the Y. M. C. A. Lacrosse Club with Andy Turf, Andy Baxter, Jimmy Steele, Sid Kerr, Charlie Milligan and others. The Beaver Lacrosse Club, Union Lacrosse Club, Frank White, Bob Watson, Arthur Brady and a well known St. John alderman, formerly a polo player.

The motion pictures are the success of the Many, The Dog Circus Rehearsal, Put In His Eyes, and The False Lament. The latter are both comedies. Prof. Tutin sings Dear Old Dear, a pretty illustrated song, and it was Only a Dream.

BIG VICTORIES FOR SPANARDS

Moors Lose 1,000 Men in the Last Few Days

LISBON, Aug. 26.—Special dispatches received from Melilla, Morocco, say the fighting is general on the Moroccan coast. The new Spanish artillery has wrought terrible havoc among the Moors, who have lost 1,000 men in the last three days. The Spanish casualties amount to 35. A Spanish column has destroyed three villages near Retinga. A Moorish deserter who has come into the Spanish boundary, declares that Spanish prisoners are being horribly tortured and mutilated. They are then decapitated by their captors and their bodies flung into a hole on Mount Gurgusa. Estimates the number of Spanish prisoners at 1,000.

ALBUQUERQUE, Aug. 26.—At noon today the Moors began cannoning the city, but the Spanish guns rapidly silenced them. Later the enemy opened fire on the gunboat Don Alvaro de Bazan, which returned the fire. A hot exchange ensued and ended in the silencing of the Moors.

SOUTH BAY SCENE OF ENJOYABLE CONCERT

An enjoyable concert was given at South Bay last evening under the auspices of the Union Sunday school.

The entertainment was one of the most successful ever conducted at South Bay. The hall was packed to the doors, and those taking part in the concert were accorded several times. The following programme was executed in a very acceptable manner: Selection, musical quartette, composed of four members of the Every Day Club, Messrs. W. J. Stokes, Charles Gretchen, Jack Walker and Robert Dobson; reading, Miss Vera Maxwell; solo, Miss Rogers; reading, Mrs. Edgar; selection by the musical quartette; reading, Miss Pauline Lowell; auto harp selection, Archie McAllister; reading, Mr. Hunter; piano and violin duet, Messrs. Dobson and Walker; reading, Miss Gladys Walker; selection by the musical quartette; reading, Miss Mabel Maxwell.

Mr. John Knight moved a vote of thanks to the donors of the books taken part in the entertainment.

After the programme had been carried out refreshments were served, and the concert was brought to a close with the singing of God Save the King.

Rev. Mr. Hunter occupied the chair. The following young ladies provided the affair: Misses Ella Lowrey, Rebecca Long and Gladys Walker. The proceeds of the entertainment are for the Sunday school.
