Peters was awarded a silver
medal on the completion of his
studies at the Collegiate school; and
a gold medal for extraordinary
achievement in his studies at Kings
University of New York, from which he graduated
with the degree of Bachelor of
Science in Engineering under
Professor C. E. Peters. He was
employed in the construction of
the North American Railroad
between St. John and Moncton,
where he formed a partnership with
Mr. J. Edward Boyd, M. I. C.
whom, under the firm name

Peters then continued to con-
duct his office until April 1901,
1893, the office of city engineer
was established, being re-
instated under that title, he held
the position continuously until made
a professional engineer. He had a high
reputation for professional ability,
present condition of the city
and highways fully attest the
discharge of his duties.
Mr. Peters married Emily
H. daughter of Dr. Haire,
of Newfoundland, and later
of St. John, where she was born.
There were five children,
whom died in infancy, and

SPRINGHILL STRIKE IS ON FOR TUESDAY

Special to The Standard.
Sydney, N. S., Aug. 8.—The Springhill strike will be called on Tuesday, according to positive assurance given by U. M. W. officials who have just returned from that colliery district.
The strike will not be of a sympathetic character and will have nothing whatever to do with the Glace Bay difficulty. Conditions existing at Springhill are worse than those at Glace Bay, from the U. M. W. viewpoint.
Shorter hours, better wages and better conditions for the miners generally is what will be demanded at Springhill and a fight to a finish will be waged to secure desired ends. A meeting of the U. M. W. is called for Tuesday evening at Sydney mines, when the advisability of calling the men out from the Nova Scotia Steel and Coal mines will be considered.
It is understood that the gathering will be of a perfunctory character, as it has already been decided by the U. M. W. that a strike will be called at this plant. From the tone of events it looks as if the war would be brought into Sydney mines before the end of this week.

CATHOLIC SOCIETIES IN CONVENTION.

Pittsburg, Pa., August 8.—The convention of the American Federation of Catholic Societies was formally opened here today with solemn pontifical mass at St. Pauls Cathedral. Bishop Canavin, of Pittsburg, was the celebrant. At a mass meeting tonight, Bishop Canavin addressed a large audience, urging suppression of the white slave traffic. The delegates and visitors to all the meetings of the convention are manifesting great interest in Chief Red Willow and Chief White Horse, two full-blooded Sioux Indians, from Dakota, who are delegates from the Pine Ridge Mission of Jesuit Missionaries.
Chief Red Willow is the Indian whose picture is engraved on the five dollar silver certificate. He has quite a record as a warrior, having taken part in the Custer massacre, and many of the fights prior to that great battle.

NOVICE MAKES SUCCESSFUL FLIGHT.

New York, N. Y., Aug. 8.—Chas. Foster Willard, a young New Yorker, and a novice at flying, made five successful flights in the aeroplane Goldenrod of the New York Aeronautic Society, over Hempstead Plain, near Mineola, L. I., at dawn today. The lengths of the flight varied from seven-tenths of a mile to two miles.
A crowd of two hundred persons, many of whom came in automobile, witnessed his flight this morning. W. K. Vanderbilt, Jr., was among the spectators, following the aeroplane in his motor car.

CZAR DELAYED BY FOG.

Kiel, Aug. 7.—Emperor Nicholas, of Russia, who is returning from Cowes on board the Imperial yacht Standart, did not reach Kiel until nearly ten o'clock tonight, the passage of the Russian fleet through the channel having been delayed by fog. Emperor William, who is aboard the Standart, near Rendsburg at six o'clock and met a hearty reception from the emperor and the royal family. The journey toward Kiel was immediately resumed. Emperor William, remaining aboard the Standart and for the greater part of the time in private conversation with Emperor Nicholas.

FREDERICTON HAS ENVIABLE FIRE RECORD

Special to The Standard.
Fredericton, Aug. 8.—Fredericton has a remarkable record of not having a fire of any consequence for upwards of a year, in fact, since August 4, 1908, when a barn belonging to Edward Hurley was destroyed, there has not been a fire doing more than \$10 or \$15 damage, and the fire department has been required to wet hose on only one or two occasions and only for blazes of an incipient nature.
It is doubtful if losses in Fredericton for the last year from August 5, 1908, up to last Thursday, amount to \$100.

SHE RECALLS MIRAMICHI FIRE WELL

(North Shore Leader.)
Mrs. Jane Dunnett of Whittynville has returned from Black River, Northumberland county, where she was on a visit to her aged aunt, Mrs. Jane McGraw. Mrs. McGraw will be 104 years old if she lives till November, and despite her great age is remarkably smart. She is in possession of all her faculties and talks very interestingly on any subject. She remembers the Miramichi fire very vividly and related to Mrs. Dunnett some little incidents of the day. No doubt very few people are aware we have such an interesting old lady living in our county.

BELLS OF PRO CATHEDRAL BLESSED

Chatham, N. B., Aug. 9.—The engagement is announced of Miss Alice Ethel Lawlor, daughter of R. A. Lawlor, judge of probate, and Mr. Joseph Patterson Quigley, M.A., M.D., of Kingston and London, England, universities. The marriage will take place early in September. Miss Lawlor is not only one of the most popular young ladies on the Miramichi, but is also a leading social light among the younger set of the North Shore.
A large congregation assembled yesterday afternoon in the cathedral when the interesting ceremony of the blessing of bells took place. His Lordship Bishop Barry officiated, and Father O'Keefe and Father Hart were assistants. Rev. Dr. O'Leary was master of ceremonies and an eloquent and appropriate sermon was preached by Rev. Father Elbert, of the Franciscan order. The bells are three in number, one being unusually large and all of fine tone.
Rain still continues to fall and will effectively stamp out whatever forest fires are smouldering.

ELIOT'S NEW RELIGION WAS ASSAILED

East Northfield, Mass., August 8.—The Northfield conference for Christian workers was never attended by a greater gathering than that which today was present at the services. Four thousand people came to the conference today. The crowd at the morning meeting was so large that two overflow meetings were necessary.
An attack on the religious doctrines recently brought forward by President Eliot, of Harvard University, marked the address by Dr. J. H. Jewett, of Birmingham, England, at this service. Dr. Jewett, whose topic was the "Conquering Christian," assailed President Eliot's views, because, he said, "they lack all sense of human guilt, which is absolutely essential to any religious doctrine, and which has been the motive of every great drama in history."

ITALY WANTS TRADE ACT WITH CANADA

Rome, Aug. 9.—It is stated that the Government, through its Ambassador at London, will shortly enter into negotiations having as their object the conclusion of a commercial treaty with Canada.

WITH THE FIGHTERS.

Hugo Kelly and Frank Klaus will meet in New Orleans on September 26th.
Bob Fitzsimmons is working on his farm and umpiring a ball game now and then.
Billy Delaney, who recently retired as a field marshal, has a paying cigar business in Oakland, Cal.
John L. Sullivan is visiting his sister in the Roxbury district of Boston and meeting old friends of his boyhood days.
Frank Erno, former lightweight champion, is going to bring Marcel Moreau, a young French welterweight, with him when he returns from Paris.

Harvesters! Harvesters!

Again the West calls to the East for helpers to assist in harvesting the greatest crop Western Canada has ever produced.
The increased acreage under cultivation and the splendid weather conditions that have prevailed throughout the entire season have combined to produce a wheat crop estimated at from 125,000,000 to 150,000,000 bushels, and to successfully harvest this enormous crop will require at least 30,000 farm laborers.
The West can supply but a small fraction of this number, and consequently the Western farmers are obliged to look to the East for assistance in order to save the crops, which of course require to be harvested within a certain period of time.

TURKEY AND GREECE MAY NOT FIGHT

London, Aug. 8.—The acute stage reached in the dispute between Turkey and Greece over Crete is causing anxiety in the European capitals, and as always accompanies any diplomatic difficulty in that quarter of Europe, but as M. Iswolsky, the Russian minister of foreign affairs, said in an interview at Cowes last Tuesday, if there is an awkward development in the situation, Europe will see that no mischievous effects result therefrom; there is no idea that hostilities will result and every belief is that satisfactory settlement will be reached.
It appears now that Turkey has not proposed anything in the form of an ultimatum to Greece, but has confined herself to verbal protests, while the four protesting powers are making energetic representations, both to Constantinople and Athens, to secure an amicable arrangement of the dispute. The four powers insist that on no circumstances shall the Greek flag be hoisted over any public buildings in Crete, and the foreign consuls at Cania have been instructed to impress this fact upon the Cretan authorities.

CARELESS BERRY PICKERS, NN N START BAD FIRE.

Bangor, Me., August 8.—Fire started by careless berry pickers Sunday morning threatened to destroy 2,000 acres of valuable timber land in Essex street, the property of P. H. Coombs, F. H. Barrows, F. W. Wilson and Mrs. Mary A. Collins.
There is no water pressure in the vicinity, and for hours hundreds of volunteers worked with buckets and axes until at last the danger was over. The actual loss will be small.
On Sunday afternoon lightning struck a stable in South Brewer, destroying it and burning three horses and four hogs. The stable was owned by the Eastern Manufacturing Company, and the loss is about \$3,000.
Maxwell.—At Public Landing, Kings County, on August 8, Asaiah R. daughter of George H. and Annie R. Maxwell, aged 20 years.
Notice of funeral hereafter.
Mr. Thomas Brosnan, accompanied by his daughter, Miss Katie Brosnan, left on Saturday evening on the Calvin Austin for a short trip to Boston and New York.
Miss Florence McIntyre returned to the city on Saturday from St. Martin, where she has been spending her holidays.

AN EDUCATIONAL EXPERT HAS THIS TO SAY OF Acadia Ladies' Seminary

WOLFVILLE, N. S.
What impressed the writer was the admirable system that prevailed in the management and in every department of work; the kindly personality and tact, the influence of which is so graceful to young people; the general sympathy in the relations between teacher and pupil, and the interest which each seemed to feel in the work of the day. An education under such conditions is indeed a great asset. Educational Review for February, 1909.
