EXCITEMENT ON F'ION TRACK; PATCHEN LADY IS EXPELLED

Special to The Standard.
Frederick, Sept. 17.—All bets were declared off in the 222 mixed class at the Frederick exhibition races today after L. B. C. Patch had removed his mare, the Patchen Lady, from the track. At the start of the third heat, the judges removed the mare from the track and put up G. W. Gerow, of Fort Fairfield, Me., in a whipping which he beat out. The 234 trot was won in straight heats by Cochato Lady, a Bangor, Me. horse, who was the favorite in the betting and never appearing to try very hard.

the heat. Lady Bell furnished a surprise by taking the fifth heat. Devilish Dorothy took the sixth, then Sunset intervened and the balance of the race went over until tomorrow, the closing day of the meet. After the third heat the judges asked Raymond to resume his seat in Patchen Lady's sulky, but he refused. There were wild scenes at the track and great confusion.

INCREASED PRECAUTIONS TO RETAIN CUP

Bristol, R. I., Sept. 17.—Another New York Yacht Club syndicate, to include Frederick G. Bourne, George F. Baker, Jr., and probably C. Oliver Iselin to back a second Herreshoff boat to compete in the trial for the American cup defender next year is a strong probability, it was learned today. Plans for this syndicate were discussed last night at a meeting of certain members of the New York Yacht Club near Newport. While "Nat" Herreshoff, the designer, has let it be understood heretofore that he would accept only one commission, that of the Vanderbilt syndicate, for a cup defender candidate, it is said that he is now in a more receptive mood. Another meeting of New York Yacht Club members to plan for the new syndicate will be held early next week.

Mr. Baker and Mr. Bourne, who were mentioned as being included in the prospective syndicate, are already members of the group, headed by Cornelius Vanderbilt, which has placed an order for a 75-foot sloop with Mr. Herreshoff. Mr. Iselin has been the manager of four winners in the big international contests.

Reports brought back from England by yachtsmen that the lines of Sir Thomas Lipton's challenger show her to be a dangerous competitor are said to have impressed members of the New York Yacht Club with the necessity of taking every precaution to retain the America cup in this country.

RECRUIT RECALLED BY THE GIANTS.

Big "Dan" Robertson, the Mobile fence breaker, has been ordered to report to the New York Giants. This promising youngster is the property of McGraw, and there are whisperings that the recall of Robertson might mean the disposal of Merkle. Merkle has been hitting very weakly all year, and McGraw is said to be thinking seriously of putting Robertson on the initial bag. The Mobile youth is a .300 hitter and a very fast fielder.

PLAYERS ON ROUND THE WORLD TOUR

Chicago, Sept. 17.—Seventy-five persons will go on the round-the-world tour to be made next winter by the New York Nationals and the Chicago Americans, President Cominskey of the local club announced today that there will be fifty in his party when the steamer sails from Vancouver, Nov. 19, and the Gotham delegation will number twenty-five.

Each tourist fare will amount to at least \$1,500, but there will be countless minor expenses in addition. Each player will be required to post \$300 to guarantee his appearance on the ship, but the money will be refunded when the boat sails. Manager John J. McGraw and the Nationals and Cominskey today completed a payment of \$22,400 to cover part of the expense, and on October 10 will make a payment of an equal amount which will carry the party to Port Said.

THIS DATE IN RING ANNALS

1886—John L. Sullivan knocked out Frank Herald in 2nd round at Allegheny, Pa. The fighter with the journalistic name had been touted as a classy proposition, and just the day to announce the title which the "Boston Strong Boy" had won four years before. The fight was a joke. Sullivan spent the first round in feeling out his opponent, and in the second went in and polished him off thoroughly. A little later John L. Went to San Francisco and took on his old enemy, Paddy Ryan, who had been champion until a certain day in 1885, when he lost his laurels to Sullivan at Mississippi. Paddy lasted nine rounds in the first bout, but in San Francisco Sullivan sent him to dreamland in the 3rd.

1912—Young Jack O'Brien defeated Jim Kendrick in 10 rounds at New York.

1912—Jim Kendrick, of England, defeated Patsy Brannigan in 10 rounds at New York.

Besides the second round on Wednesday, there will be an 18-hole match play handicap against boxer, while on Thursday, in addition to the third match round, driving, approaching and putting contests will be run off. Coincident with the semi-final round on Friday there will be a foursome competition on scratch basis while mixed foursomes will be run off in conjunction with the decisive test on Saturday.

FRED WELSH WILL CLAIM WORLD'S TITLE

Vancouver, Sept. 17.—Freddie Welsh, British lightweight champion, proposes to shadow box himself in the world's championship here next Saturday afternoon, the day he was to have fought Willie Ritchie for the latter's title. Having disposed of his imaginary opponent, Welsh said today he will demand Ritchie's forfeit, claim himself world's champion, and set in motion legal authority to obtain damages from Ritchie for several remunerative matches Welsh declares he has lost through waiting for the champion.

THREE CLUBS WANT HIM.

Three clubs, the Browns, the White Sox and the Giants, are said to have made offers to Phil Wills, a youngster pitching for an independent team at Centralia, Ill. He has pitched 18 games this season, losing but two. Two of the games were no-hit, no-run affairs. Wills is a Decatur, Ill., high school boy. He is short but strongly built and is said to have a lot of speed.

SPORTOGRAPHY BY "GRAVY"

Frank Leroy Chance will pass his thirty-fourth milestone tomorrow, but up to the minute of rushing to press the mayors of New York and Fresno have neglected to issue proclamations declaring Chance's birthday a public holiday. The Gotham fans, who received the peerless leader with bleats of joy when he took charge of the Yankees' elated spring, have become feeble and inarticulate in their wayward allegiance. Chance's first season as pilot of the New York Americans, and the highest salaried manager in the game, Chance has not been a brilliant success. He has not had such material to work with as fell to him in Chicago as a legacy from Frank Seale. Pennant-winning baseball teams are of slow growth. McGraw's first season as chief of the Giants was not much more successful than Chance's initial year with the Yankees.

Whatever his baseball future, Frank Chance faces no financial worries. He is a member in good standing of the "I Should Worry" Club, and the owner of income-bearing property worth in the neighborhood of a quarter of a million dollars.

"Peerless Leader", Chance Passes 34th Milestone

and his opinion was fully justified by subsequent developments. For eight years he was the class of the National League on the initial bag, and during the first half of that period he swatted over 300. When Seale retired in 1905, and the Cubs were sold to Murphy, the latter appointed Chance manager. By winning four pennants and two world's championships he demonstrated his right to the title of Peerless Leader.

CHANNEL SWIM FOR RICHARDS. NEXT SUMMER

New York, Sept. 17.—"The English channel next," declared Sam Richards, the great long-distance swimmer of the L Street Swimming Club of Boston, today. Richards is confident that he will be able to cross the channel when he attempts this difficult feat next summer.

Richards yesterday smashed all swimming records when he swam from the Battery to Sandy Hook, on his first attempt, in eight hours and twelve minutes. Not satisfied with reaching the Hook, Richards started on the return trip, but after going a mile in twenty-three minutes he gave up. He was in fine condition and could have undoubtedly gone further but left well enough alone, as he was just about to begin a battle against the strong incoming tides.

Captain Alfred Brown is the only other person to negotiate the Hook swim. Some few weeks ago, after four previous attempts, Brown made the swim in thirteen hours and thirty-eight minutes. He did not attempt to return, however, as he was in bad condition at the time. Richards' time is five hours and twenty-six minutes faster than that of Brown, and practically earns him the undisputed title of amateur swimming champion of the world.

Miss Rose Pitonoff, the little Dutch girl, also attempted the Hook swim yesterday, but after battling against the tides for 11 hours and 23 minutes she was forced to leave the water only a quarter of a mile from her goal. It was Miss Pitonoff's second attempt.

Toronto, Sept. 17.—With both tracks of the main line blocked with ties, a limited train of the Grand Trunk Railway from Chicago had a narrow escape from being wrecked Tuesday afternoon near Little Lake Station. The ties lying upon the track in such a position that the engineer did not see the obstruction until the locomotive tender and baggage cars had passed over it before the train could be brought to a stop.

But for the fact that the ties been exposed in the open for so long time and were partially decayed, bad wreck would have occurred.
