THE CHOCOLATE  
SOLDIER BEST EVER  
SEEN IN THIS CITY

Replete with all its sumptuous rich-  
ness of melody, absolutely refined, pre-  
sented by a company on the whole su-  
perior to that of last year, splendidly  
mounted and costumed, possessing  
probably the best singing chorus  
heard in St. John for years, with some  
old favorites among the principals and  
the new members of capableness equal  
to the old, "The Chocolate Soldier"  
opened a week's engagement in the  
Opera House, last evening, and de-  
lighted an audience not nearly as large  
as the merit of the production called  
for.

A year or so ago, "The Chocolate  
Soldier" followed several good musical  
attractions in its bookings, but even  
with that disadvantage proved its su-  
periority to most of them. This year  
it returns to provide St. John with the  
first high class attraction of the sea-  
son and it is to be expected that the  
public will not be slow to appreciate  
the fact.

"The Chocolate Soldier" music is  
well known and while light is more  
ambitious than most other composi-  
tions of its kind. Probably "My  
Hero" is the most whittlesome number  
in the piece, but there are several  
other sprightly selections all of which  
were rendered with good effect. Par-  
ticularly good was the chorus, the only  
complaint that they did not have  
enough to do, but that is the fault of  
the composer not the company. In the  
however, they were heard to splendid  
advantage. They have both volume  
and tone, sing with precision of attack  
and phrasing rather unusual in the  
ordinary run of companies coming this  
way and provide as much melody as  
aggression numerically stronger—and  
all that there are probably thirty-five  
voices in the company.

Miss Tena Rasband, the prima don-  
na soprano, who sings the role of Na-  
dina, has a sweet voice, particularly  
pure in its upper register, and sings  
at all times with nerve and animation.  
Of her numbers the gem was "My  
Hero," but "The Chocolate Soldier"  
with Mr. Greene, the "Letter Song"  
and the delicious haunting sympathy  
aria were all well done. Moreover,  
Miss Rasband is young, with a pleas-  
ing stage presence and a histrionic ab-  
ility sufficient for the demands of the  
opera.

Miss Niven, the contralto, has a rich  
voice of good quality. Miss Kitty  
Burke, while slightly nervous in the  
opening of the first act, made an allur-  
ing Natcha and was probably at her  
best in the duet with Mr. Tallman as  
Alexis.

The Lieut. Bumerli of the produc-  
tion, Mr. Greene, in appearance, does  
not meet the conventional idea of an  
act in a manner which won high com-  
mendation. There remains but Francis  
Boyle, he of the stentorian tones and  
mobile face. Mr. Boyle's every ap-  
pearance was a signal for laughter,  
while his moustache and eyes were in  
every man. A suggestion might be  
made that Mr. Boyle be provided with  
an interpolated solo as the occasional  
enrichment of song with which he fa-  
vored the audience were very warmly  
received.

The opera was very well staged with  
special scenery and costumed in a  
manner befitting the locale of the  
story. It is by long odds the best at-  
traction of the season and should  
draw capacity business at every per-  
formance. The people of St. John  
have the reputation of appreciating a  
high class attraction; they should sup-  
port that reputation this week for the  
attraction offered is certainly all of  
that.

## FUNERALS.

Wm. Barbary  
The remains of William Barbary  
were laid to rest in Fernhill ceme-  
tery yesterday afternoon. The funeral  
took place from his residence, 49  
Moore street, at 2:30 o'clock and the  
remains were conveyed to St. Paul's  
church, where the burial services were  
conducted by Rev. H. G. Alder.

Philip George  
The funeral of Philip George took  
place yesterday afternoon at 2:30  
o'clock from his son's residence, 230  
Borne Avenue. The funeral services  
were conducted at the Cathedral by  
Rev. Hector Belliveau, and interment  
was in the old Catholic cemetery.

Ruth Irwin  
The funeral of Ruth Irwin took  
place from her father's residence, King  
street east, yesterday afternoon. The  
services were conducted by Rev. Gor-  
don Dickie and interment was in Fern-  
hill cemetery.

THE YORK TRIO  
IMPERIAL'S NEW  
VAUDEVILLE ACT

The York Trio at the Imperial The-  
atre diversified St. John's entertain-  
ment to a considerable extent yester-  
day with their unique form of singing  
and dancing. The act is composed of  
two gentlemen and a very pretty young  
lady, all of whom were immaculately  
clad. They worked together continuing  
ally on the stage and as they sang  
they stepped about most gracefully,  
executing some of the difficult dances  
of the hour as well as furnishing a  
sort of dancing accompaniment to their  
splendid popular songs. The act was  
pretty and also held the merit of be-  
ing tuneful and catchy. There is one  
thing certain, nobody could take ob-  
jection to any part of it.

Miss Virginia Underwood, whose  
singing has attracted widespread at-  
tention, was especially entertaining in  
her rendering of one of the brilliant  
Artistic waltzes.  
The picture that headed the list  
had some special interest for Cana-  
dians in the fact that the scenes of  
the story, "The Lady of the Snows"  
(three reels) was laid in the historic  
city of Quebec. The Keanany Co. were  
quite lavish in their treatment of the  
film and some of their best players  
were cast for the various roles. There  
was a resumption of "The Hazards of  
Heaven" series in which Miss Holmes  
proved herself once again an extreme-  
ly daring actress, which she is al-  
ready famous. There was the Animat-  
ed Weekly and a pretty little com-  
edy by the Lubin Co., in which an actor  
disillusions his wife concerning the  
glamor of the stage.

Tomorrow and Thursday should be  
big days at the Keith house because  
Elsie Janis, the conspicuous English  
star, will be seen in her inimitable lit-  
tle comedy "The Captives of Kitty."  
All advance notices of this five-reel  
film claim for it a high place in the  
film of silent drama.

## A STUPENDOUS UNDERTAKING.

Rex Beach's romance of Alaska  
"The Spellers," indicates that fiction  
may have as high or higher aim than  
fact, for in addition to telling a grip-  
ping and absorbing story he has re-  
flected certain phases of civilization's  
advance that will never come again.  
Undoubtedly this Western world has  
experienced the last of the great gold  
rushes. These picturesque and frenzied  
pilgrimages that commenced with the  
Spanish invasion were continued  
with the journeys of the Pioneers over  
the great plains and the mountains of  
our West, in the days of '49; and  
concluded with the tollsome rush to  
the Klondike, or the sailing over seas  
to the Arctic shores of Nome. These  
were potential and picturesque per-  
ils in the big advance that made  
conquest of the unknown to gratify  
men's never ending thirst for gold.  
In providing the big "properties" for  
this state that runs hundreds of miles  
up and down the Pacific Coast from  
Washington to Alaska, it was neces-  
sary to charter vessels for voyages.  
The steamships "Ohio" and "Santa  
Maria" were engaged for this service,  
and half a hundred vessels were  
leased to give life to the foreground  
of the water scenes.  
Special railway trains were secured;  
locomotives were leased to serve the  
desperate ventures of strong men  
fighting with every energy and re-  
source to retake their own possessions  
from their oppressors. This famous  
story will now be seen on the screen  
at the Imperial Theatre next week.  
The picture was played to capacity  
houses at the Princess Theatre, Mont-  
real, for two weeks, and on the last  
night of the engagement the theatre  
were turned away unable to gain ad-  
mission.

## ITALIAN POET IS

CALLED TO THE COLORS

Rome, via Paris, June 15.—The Gio-  
riale D'Italia says that Gabriele D'An-  
nunzio, the poet, has received an or-

he is second lieutenant.

The Best Treatment  
For Constipation

The Experience of One Who Knows and Places Dr.  
Chase's Kidney-Liver Pills First.

It is not difficult to secure a medi-  
cine that will effect movement of the  
bowels. To cure Constipation and the  
complications which arise from it is  
another matter. The bowels are usually  
preceded by torpid action of the liver.  
Hence it follows that if Constipation  
is to be cured the liver must be set  
right. And here lies the secret of the  
success of Dr. Chase's Kidney-Liver  
Pills. They awaken the action of the  
liver and insure a good flow of bile,  
which is nature's cathartic. The liver,  
kidneys and bowels are invigorated  
and regulated, and the troubles with  
the digestive system disappear.

Mr. H. M. Bell, Infall, Alta.,  
writes: "For some considerable time  
I have been using Dr. Chase's Kidney-  
Liver Pills, which I have obtained  
through your firm. I suppose during  
my life I have used nearly all the  
best-known pills, as I have been sub-  
ject to Constipation and digestive trou-

CHARLES CHAPLIN  
GREATEST SENSATION  
AT UNIQUE THEATRE

Charles Chaplin, who has a reputa-  
tion all over the world as having the  
man from Borneo backed right clean  
off the map when it comes to creat-  
ing laughter, is appearing in one of  
his best vehicles at the Unique The-  
atre. Yesterday the many admirers of  
the little fun-maker thronged the Unique  
and enjoyed Chaplin in every scene  
in which he participated in the  
brilliant comedy, "Between Showers."  
It is a most assured fact that this  
subject was built for laughing pur-  
poses only and the acting of "Charlie"  
enhances its value in this respect. An  
hundred fold. Laughter pure and  
simple resulted in his every move and  
his acting when threatened with the  
arm of the law was one of the most  
amusing pieces of business that he  
has yet presented. Two other stars  
of comic fame, Chester Conklin and  
Ford Sterling, support Chaplin and  
add materially to the success of "Be-  
tween Showers."

Animated war notes of timely in-  
terest and showing the result of re-  
cent battles are screened by The  
Daumont Graphic, the latest film new-  
sreel and these were appreciated.  
"The Floating Calla," special two-  
part Reliance feature, with sensation  
as its word, is another strong item of  
the excellent programme. The jump-  
ing from a roof into the creek below,  
the battle with the police and the raid  
of the Italian den are some of the  
outstanding scenes in an ideal drama-  
tic feature.

Next today the Unique will show  
a military subject, "A Moment of  
Sacrifice."

## WEDDINGS.

Campbell-O'Hara.

West Quay, June 10.—A very quiet  
and pretty wedding took place at 8  
o'clock Wednesday morning, June 9,  
1915, in St. William's church, St. Mar-  
tins, when the pastor Rev. W. P.  
Hannigan united in marriage Margaret  
T. O'Hara and James S. Campbell.

Following the ceremony breakfast was  
served at the home of the bride's  
mother, Mrs. Mary O'Hara.

Steeves-Steeves.

Hillsboro, N. B., June 12.—On Wed-  
nesday evening last, June 9, a very  
pretty wedding was solemnized at  
Shenstone, at the home of Mr. and  
Mrs. John N. Steeves, when their  
eldest daughter, C. Esie, was united  
in marriage to Mr. William W.  
Steeves, of Moncton. The bride was  
most beautifully and becomingly  
dressed in white duchess satin with  
shadow lace and pearl trimmings, with  
bridal veil and orange blossoms. She  
wore a beautiful necklace of Oriental  
pearls and carried a shower bouquet  
of white carnations and maiden hair  
fern. The bride was attended by her  
cousin, Miss Ida Steeves. The groom  
was supported by his brother, Murray  
Steeves, of Moncton. Miss Lola  
Steeves rendered the wedding march  
very effectively, and the ceremony  
was performed under an arch of apple  
blossoms and greenery. The house  
was tastefully decorated for the oc-  
casion with apple blossoms and out-  
flowers. After the ceremony, which  
was performed by Rev. S. W. Schur-  
man, in the presence of eighty guests,  
a delicious wedding supper was served.  
The bride and groom left for a  
honeymoon trip through the upper  
provinces, and will visit Canadian  
cities. They will reside in Moncton.  
The bride's going away suit was of  
navy blue and sand colored hat with  
navy trimming.

Many beautiful presents of cut glass  
and silverware were received. The L. C. R.  
of the stores department, with whom  
the groom is employed, presented them  
with a beautiful dinner set. Father of  
the bride a superb cheque. The  
groom's present to the bride was a  
cheque, to the maid of honor, pearl  
brooch, to groomsmen, pearl tie pin.

Logan-Robertson.  
Miss Janet Patterson Robertson was  
united in marriage yesterday after-  
noon to Charles Peters Logan. The  
officiating clergyman was Rev. J. A.  
MacKeigan at the wedding took place  
in St. Andrew's church. The bride

VIOLENT ATTACKS  
OF DYSPEPSIA

Suffered Tortures Until She  
Tried "Fruit-a-Lives"

St. Jean de Matha, Jan. 27th, 1914.  
"After suffering for a long time with  
Dyspepsia, I have been made well by  
"Fruit-a-lives." I suffered so much  
that at last I would not dare to eat for  
I was afraid of dying. Five years ago  
I received samples of "Fruit-a-lives"  
and after taking them I felt relief.  
Then I sent for three boxes and I kept  
improving my lost weight—and now I  
eat, sleep and digest well—in a word,  
I am fully recovered thanks to "Fruit-

SUMMER SCIENCE  
COURSE, JULY 14TH

Woodstock, June 11.—The date of  
the Summer Science Course to be held  
in the Vocational School, Woodstock,  
has been changed from July 7th to  
July 14th, and will continue for four  
weeks. It is expected that 90 pupils  
will be in attendance.

H. B. Dorset, instructor in bee-keep-  
ing for the province, is arranging for  
a bee-keepers' field day at the apiary  
of Messrs. Peabody Bros. near Wood-  
stock, to take place early in July.  
Morley Pett, provincial apiarist for  
Ontario, will be there to demonstrate  
in the handling and management of  
bees, and to give information to any  
who ask it. An illustrated lecture  
will be given in the evening at the  
Agricultural School.

was given away by her uncle Struan  
Robertson, and Carleton Peters sup-  
ported the groom.

The bride was dressed in a travel-  
ling suit of taupe colored cloth, with  
tail to match, and carried a bouquet  
of pink roses. Mr. and Mrs. Logan left  
on the Pacific Express for a honey-  
moon trip to Montreal and other upper  
Canadian cities and on their return  
will reside at 254 St. James street.

## OVERDUE BARK ARRIVES

Philadelphia, June 13.—Overdue bark  
Tripoli (Italy), from Barietta, Jan 30,  
arrived in port today.

HAD DYSPEPSIA  
So Bad Could Not Take a Drink of  
Water Without Suffering.

Dyspepsia is one of the most difficult  
diseases of the stomach there is to cure.  
You eat too much. Drink too much.  
Use too much tobacco. You make the  
stomach work overtime. You make it  
perform more than it should be called on  
to do. The natural result is that it is  
going to rebel against the amount of  
work put on it. It is only a matter of a  
short time before dyspepsia follows.

That old, forty year old remedy,  
Burdock Blood Bitters, will cure the  
dyspepsia and make it to stay cured  
as we can prove by the thousands of  
testimonials we have received from time  
to time.

Miss Sarah McRae, Newfield, Ont.,  
writes: "I write to say that I have used  
your Burdock Blood Bitters, and have  
found it the best remedy I have ever  
used for dyspepsia. Two years ago  
I had stomach trouble so bad that I  
could not even take a drink of water  
without suffering. I took six bottles  
of B. B. B. and have been entirely cured,  
and can now eat anything without any  
bad after effects."

Burdock Blood Bitters is an old and  
well tried remedy but on account of the  
many substitutes we would ask you to  
make sure that our name appears on  
the label and wrapper as the prepa-  
ration is manufactured only by  
The T. Milburn Co., Limited, Toronto,  
Ont.

DON'T USE SOAP  
ON YOUR HAIR

When you wash your hair, don't  
use soap. Most soaps and prepared  
shampoos contain too much alkali,  
which is very injurious, as it dries  
the scalp and makes the hair brittle.

The best thing to use is just  
plain mulsified coconut oil, for it is  
pure and entirely greaseless.  
It's very cheap, and beats soaps or  
anything else all to pieces. You  
can get it at any drug store, and a  
few ounces will last the whole  
family for months.

Simply moisten the hair with  
water and rub it in, about a tea-  
spoonful of all that is required. It  
makes the abundance of rich, crea-  
my lather, cleanses thoroughly,  
and rinses out easily. The hair  
dries quickly and evenly, and is  
soft, fresh looking, bright, fluffy,  
and easy to handle. Besides it  
loosens and takes out every  
particle of dust, dirt and dandruff.

ORDERS FOR ALL  
FACTORIES CAPABLE OF  
TURNING OUT SHELLS

Minister of Militia Says,  
but all the Applications  
Closely Investigated to  
Prevent Grafting.

Special to The Standard  
Ottawa, Ont., June 14.—In reply to a  
statement that many factories which  
could manufacture shells were unable  
to secure orders for them, General  
Sam Hughes said that there were no  
factories capable of turning out shells  
in a reasonable time which could not  
get orders. There were many appli-  
cations being made and "crooked en-  
deavors" being offered in order to  
secure orders, said General Hughes,  
by companies that were not in a posi-  
tion to make shells, but wanted to  
farm them out. He added that every  
factory for which an order was sought  
was carefully inspected by an official  
of the shell committee first.

## HE WAS THIN

Weighed 135 Pounds. Now Weighs 160  
A 25-Pound Increase.

"When I started taking Sargol my  
weight was only 135 pounds, writes  
E. Hennings. "Now my weight is 160  
pounds and I am the picture of health  
and stronger than I ever was before.  
You may use my letter for I am sure it  
will help somebody in the same shape  
I was. Would not take \$100 for the  
good it has done me." "When I com-  
menced taking Sargol I weighed 116  
pounds. I have been taking it only  
26 days and weigh 20 pounds," writes  
Miss Lillie Davis. "I gained 7 pounds  
in 10 days," states W. P. Thackeray.

And so it goes. Some folks take lit-  
tle stock in testimonials because they  
say people are apt to take treatment  
for some disease and just imagine they  
feel better. But Sargol is not a treat-  
ment for any disease. It simply  
puts firm healthy, "stay there" fat  
muscular tissue on men and w-  
men who are thin, run down and un-  
derweight. There is no guess work—  
no imagination about it. These peo-  
ple weigh themselves each week  
thereafter and the scales tell the  
story. Hundreds upon hundreds of  
Sargol users are constantly reporting  
increases in weight ranging all the  
way from ten to forty pounds.

Sargol is just a tiny tablet which  
you eat at meals. It mixes with your  
food and turns all the fats, sugars,  
starches and oils of your food into  
rich, ripe, flesh-producing nourishment  
for the tissues and blood. If you are  
underweight it is certain that the  
greater portion of the fat-producing  
material in your food is going through  
your body as waste. You eat and eat  
but get no benefit. Sargol stops this  
wasteful, dangerous leakage of fats  
and the result is quickly noted as the  
hollows of the body fill out with  
healthily flesh.

You risk no loss in taking Sargol,  
as leading druggists everywhere sell  
it with a positive guarantee of increas-  
ed weight as contained in every pack-  
age. Absolutely harmless. Costs little if  
it succeeds and nothing if it fails. If  
you are ten pounds or more under-  
weight you owe it to yourself to try it.  
Sold in St. John and vicinity by all  
leading druggists.

Two Interesting  
Competitions  
For Boys and Girls

On Saturday I published another picture which I want all  
boys and girls who are not over 14 years of age to color same  
with either water colors or chalk.  
To the young artist who does it the best I will give a first  
prize of a dollar.  
It's a simple competition, no hard rules, no entrance fees,  
just cut the picture out, paint or color it the way you think  
best, save three coupons the same as the one shown on this  
page, cut from The Standard, fill them up, pin them to the  
painting and send them all addressed to

UNCLE DICK,  
THE STANDARD,  
ST. JOHN, N. B.

Closing Date for this Contest, June 17th, 1915

STANDARD COMPETITION  
FOR BOYS AND GIRLS

Full Name \_\_\_\_\_

Address \_\_\_\_\_

Age Last Birthday \_\_\_\_\_  
(Must not be over 14 years of age.)

June 15, 1915.

The Prize winner's name will appear in the Children's Cor-  
ner of The Standard on June 19th.

## A Word-Making Contest.

This week I have decided to let you have a different con-  
test.  
How many words can you make out of the letters in the  
word "Transatlantic"? You must only use the letters included  
in the word. For example, a word like "rain" is correct, but  
"settles" would be wrong, as there are not two letters E in the  
word.

To the boy or girl not over 14 years of age who sends in  
the most number of correct words I shall send a special  
prize. Each list must have three coupons attached to it, filled  
in, and be sent by next Thursday, June 17th to

UNCLE DICK  
Children's Corner,  
THE STANDARD, St. John, N. B.

The prize will be worth trying for.
