MORRISSY FLAYS TORY PLOTTERS

Beards Them at Their Own Meeting and Captures It

Commissioner of Public Works Shows Up Northumberland Conservative Machine Leaders in Unenviable Light—Large Chatham Audience Cheered Wildly as He Dressed Them Down.

(Special to The Telegraph.) Chatham, N. B., Nov. 30.—The campaign closed with a rousing meeting in Masonic Hall tonight which was called in the interests of F. D. Swim but turned into a splendid demonstration for Burchill and Hon. John Morrissy. Chairman (Gillman) introduced D. McLachlan, M. P., first and F. D. Swim followed. Both made speeches that aroused but little enthusiasm.

While Swim was speaking Chief Commissioner Morrissy entered the hall and received a great reception. His speech was characteristic of the man. He did not spare Stewart, the president of the Conservative Association, pointing out that he was one of the sorcerers and hinting that it was because a printing bill of his for \$100 for the same work done by a rival concern for \$30 had been reduced to \$60. He was one of the men who was always crying out against graft.

General Simon has been engaged in previous movements of the same kind. In 1902 he declared himself in favor of General Antoine Firmin for the presidency and the latter pursued tactics similar to those now being followed by Gen. Simon.
