WORLD'S DEBT TO CANADA

A Wonderful Achievement—Discovery of "Fruit-a-tives" has Meant Health for All.

Canada's fame does not rest solely on her furs and wheat fields. Her rise in the esteem of the world is not due to her Cobalt mines, but to the work of her great scientist, Dr. J. C. Stewart, a graduate of McGill University, who has won lasting renown for his original researches in the realm of Physics.

Everyone knows that fruit is wholesome, when eaten judiciously. Physicians generally recognize the fact that fruit juices have a beneficial effect on the various organs of the body.

It remained for a Canadian physician to discover a process whereby the medicinal action of fruit could be so increased as to make the intensified juices a wonderful cure.

"Fruit-a-tives" is this combination of fruit juices and tonics. Since its introduction to the public, "Fruit-a-tives" has met with a success accorded to no other medicine in the world. The reason is plain. "Fruit-a-tives" is the one remedy that is actually made of fruit, and is the only remedy that naturally cures Constipation, Bilelessness, Indigestion, Headache, Rheumatism, Neuralgia, Backache, Kidney and Skin Troubles. At all dealers at 50c. a box, 6 for \$2.50; or trial size, 25c., or from Fruit-a-tives Limited, Ottawa.
