

McAvity's Messenger

Spring is the great house-cleaning season. It's the time when everyone feels it is absolutely necessary to make everything brighter and newer and cleaner with the liberal use of paint.

Paint is a necessity, not a luxury. Good paint is as fully important as insurance. Paint to the house is what clothing is to the body. Paint makes the house attractive, cheerful and enduring. A periodical investment in paint is judicious economy, because it actually costs less to use good paint than to go without it. In the long run good paint really costs nothing, as it eventually saves more than it costs.

Just look over our list of house improvers, when you are ready to paint anything, whether house, barn, floor, roof, verandah, articles of furniture or what not—let us serve you. We carry everything in the line to renew the appearance of almost anything paintable and shall be pleased to advise you as to the right paint to use.

Hand and Ring Pure Prepared Paints

The materials of these convenient and easily applied paints are mixed in the exact proportions and combined in the right way to make the paint give good service and the shades are true, permanent and uniform.

If the householder, the farmer, or the mechanic wishes to "touch up" for Spring himself, he cannot procure a more satisfactory liquid paint for inside or outside use than Hand and Ring Pure Prepared Paint. From the standpoint of economy, ease of spreading, covering power and durability there are few just as good—none any better—and none to equal them at the price.

Furnished in thirty attractive popular shades, put up in easy-to-open cans. We have one uniform price except for Window Blind Green and certain Reds on which there is a moderate advance.

Upon request we will mail you color card showing shades with suitable trimmers kept in stock.
