Sapper John Beddan, Jersey, Channel GERMAN HELD ON CHARGE OF

DESTROYING C. P. R. SIGNAL. Tuesday, May 11. A wire-haired and wire-bearded German Pole, Joseph Scheibe, is incarcerated in the county jail on a charge of ma-

liciously destroying a signal on the C. P. R. liner near Enniskillen on Thursday night, which destruction, had it not been discovered in time, may have led to a serious disaster.

On Sunday night, Sectionmen Arthur Duplissea and A. W. Duplissea at Enniskillen, saw the foreigner walking the tracks. He approached an erected signal of the block signal system which he destroyed. He kicked in the lower part and wrenched the indicator off with his

and wrenched the indicator off with his hands. He then les made for the woods. He then left the tracks and The men had a good opportunity to see him and were able to give a minute description of him to the C. P. R. police. Yesterday morning D. Ryan, as-

police. Yesterday morning D. Ryan, assistant superintendent of the Atlantic division, left St. John and searched the district. He located the suspicious character yesterday morning and notified Detective Skidmore. The latter made the arrest and brought the prisoner to the city. The German was brought before police magistrate about 5.30 o'clock and was remanded to jail. He could speak fairly good English, and according to Detective Skidmore, had a good knowledge of the railroads of the province and was very familiar with railroading.

A thorough investigation will be held into the matter. The opinion is held by some that the German is mentally deranged. If such is the case he will be sent to the Provincial Hospital. If he is found to be sane, he will be kept a prisoner until the end of the war at

In arresting a suspected spy at the arrival of the train from Sussex yesterday morning, Sergeant Chas. Rankine and Policeman Elliott checked an alleged deserter from the 6th Mounted Rifles, Amherst, as, it is believed he was making his way to the States. About 5 o'clock yesterday morning a call was received at central station from Sussex to the effect that a suspicious person had got on the train at Sackville, and was proceeding in the direc-tion of St. John. When the train arrived about two hours later, Sergeant Rankine and Policeman Elliott were on hand to meet it, and on a description that was given them held William Le-poimb, a Frenchman, belonging to Quebec. He was brought to central, upon investigation it is charged that he had deserted from the Mounted Rifles. He will be taken back to Amherst today.
