Report of Session for 1895.

Dear Brethren and Fellow-Workers.

Your Session in once more presenting their annual report would record their deep sense of the abiding mercies of God to us in sparing our people, in adding to our membership, and in the increasing attendance at public worship.

Out of our large membership we have only lost 8 by death during the year that is past, Mr. John Steen Mrs. S. Ritchie, and Miss Oliver.

Our membership, which was 281 last year, after purging the roll still retains 306 members. 8 were removed by death and 6 by certificate, 25 were added on profession of faith and 9 by certificate, leaving a net gain of 25 during the year.
