**Stephens' PAINT**

Think how much easier it would be to mop off the kitchen floor if it were painted with *Stephens' Floor Paint* than to scrub its unpainted surface. It would look more attractive, too—and be more healthful.

And *Stephens' Floor Paint* costs so little. Besides, it hardens the floor. Will not let it become dirty, gray and soft, as an unpainted floor will under the action of soap or lye and water.

Write for our interesting **Free Booklet No.** and color cards.

Sold by progressive hardware dealers.
