**When the War  
is Over**

WHEN the War is over what motor car or piano, for example, will stand highest in public favor? What cereal? What range or furnace? What brand of soap, paint, stock food, and so on? The answer is: The make or brand that has kept itself constantly in the public eye *During the War*—by means of advertisements in the public press.

Selling courage expresses itself in publicity. The withdrawal or suspension of advertising is a form of economy with a "back kick" in it.
