S.C.M.

In the past fifty years, he continued, these people have turned their eyes toward Palestine because of suffering in Poland.

Out of this desire to leave eastern Europe, he explained, the Zionist movement arose about thirty years prior to the outbreak of the first World War. During the war years, he continued, pressure was brought to bear on the British Government by the Jews in England in support of Zionism, and as a result the Balfour Declaration was issued in 1917. This Declaration, Prof. Wright went on, was not even a promise and certainly not a statement of policy.

At the same time, Prof. Wright explained, the British Government promised the Arabs independence from the cruel rule of the Turkish Empire in order to get their support in the war against Germany. As a result, he continued, the Arabs remained neutral despite strong Turkish and German pressure, thereby keeping the Suez Canal and the whole Middle East free from intrusion and open to the British. For this great service, the speaker (Continued on page seven)

## ST. JOHNS WIN IN CLOSE EXHIBITION

### EXPERIENCE PAYS IN PRE-SEASON TEST

Displaying their usual individuality and superior experience, the Saint John Saint Johns edged out U. N. B.'s embryo team 27-25 at the Lady Beaverbrook Gym Wednesday night in a rough but exciting pre-season exhibition, which went into overtime.

Throwing new and untried players into the game with frequent substitutions, coach Ted Owens placed much faith in all slow centre men, somewhat to the crowd's displeasure particularly toward the end of the game.

Except for the start and finish of the 'request match' U. N. B. held a slight margin in score throughout. Brilliant long loopers by Seely and Fox for Saint Johns featured the game, with much fumbling and wild shooting on both sides. Bruce Campbell, big guard, proved to be U. N. B.'s mainstay, particularly when the pressure was on. He led the scoring with newcomer Buchan for U. N. B., each getting six points. Seely was high man of the game with nine. Tied the game to call for overtime and scored again in the extra period. Jimmy Fox, long shot artist, put in the winning basket after Campbell had tied it up again.

Saint John scorers were: Seely, 9; Fox, 6; Ritchie, 3; Boyle, 3; Fitzpatrick, 3; and MacDonald, 3.

### Hill, City Fight To 5-5 Tie

Physical Director.

'Pete' Kelly (above), new Physical Director of U. N. B. under a new administrative set-up in which the director will co-ordinate the work of coaches for each sport. Mr. Kelly, a former N. H. L. hockey player, will also coach the Varsity Hockey Team.

For U. N. B.: Campbell, 6; Buchan, 6; Garner, 4; Garland, 2; Jardine, 2; Hanson, 2; and Moore, 2.

Tony Tamorra, Woodland, Me., B. A. A. referee, officiated.

Showing a fighting form and offensive action missing in the St. Dunstan's game, the U.N.B. Varsity Rugby team gave fans greater hope for a victory against Mount Allison as they fought Fredericton City to a 5-5 draw Saturday at College Field.

In a game of spectacular runs and interceptions, the new Vey line pressed the offensive into city territory only to be thrown back by the skilful plays of the 'old-timers' of the city squad. Scoring started in the second half when Paul Keieher broke through for a try. He failed to make the convert from a difficult angle. One of the most spectacular plays came when Ken Gordon, City three quarters made a 50-yard run, hotly pursued, but by superior speed got over for a try. The Frederictons went ahead when Lloyd Crawford made the convert from in front of the bar.

The Hillier, fought hard from here on to make up the difference, succeeding when Art Plummer made a neat kick over the bar for a field-goal and tied the game.

Simpson for city and Kellie for U. N. B. did excellent jobs in getting the plays ahead for their respective sides.

In the preliminary, Fredericton High School and an all-star U. N. B. team fought to a scoreless tie in a spiritless battle.

Prospects for a victory at Sackville tomorrow are very good in the mind of Coach Johnny Vey, who believes his squad can run the Mounties off their own field. The eligibility of George Jardine, expert full-back has been confirmed, but there is some question of whether Laurier can make the trip.

The revamped lineup, which showed so well in the exhibition last week, will go into action at Sackville with a few last minute changes not announced.

### INTRAMURAL CAGE LEAGUE STARTS

Entries in the intramural basketball league for this year have been made on the basis of teams representing organizations and residence groups, according to a new plan going into effect. It is hoped that this will result in stronger and better organized teams. A rumor is afoot that there will be a 'faculty five' competing this year. Ted Owens, basketball coach, is in charge.

Tentative entries have been received from the following groups:

Foresters, Newman Club, Hut 13 Alexander Residence, Senior Electricals, Junior Civils, "Vestbeates," Post-Grads, Faculty, Hut 26 Alexander, Forest Rangers and U-Y Club.

### MT. ALLISON BEATS S. D. U.

Mount Allison's rugby team and that of St. Dunstan's battled out a close match at Charlottetown last Saturday in which the only score was from a penalty kick by Nickerson of Mount A. in the closing minute of the game.

Mount Allison held the offensive

### BEAVERBROOK OPENS SEASON

A real thriller was presented to the packed galleries and distinguished guests Wednesday, as Lord Beaverbrook opened the basketball season for U. N. B. and saw the Saint John St. Johns tangle with the Red and Black.

Cheerleaders and College Band set off the show as the chancellor tossed the first ball in and Tony Tamorra started the battle. With Lord Beaverbrook was George McCullough, prominent publisher of the Toronto Globe and Mail. This was the first basketball game for both of them.

The guests followed the game with interest and the 'request game' although coming at an extremely early period in the season, proved a success.

most of the time, with well-managed plays and frequent penalty kicks, but were held from scoring a try by a stubborn defense on the part of the Saints.

For a comparison between Mount Allison and U. N. B., this game gives Mt. A. the odds, since the defeat of U. N. B. at the hands of the Islanders 13 - 3.
