

# CLASSIFIEDS

The Rules: Classifieds are a free service offered by *The Brunswickan* to the staff and students of UNB and STU. Content: 30 words or less each of which should be inoffensive on its own, or in conjunction with others. Duration of publication: One week. Disclosure: Classifieds are not confidential. If you are ashamed to submit your name with your classified, then it's not for us. Please don't use someone else's name. We will check. (Names are not necessarily printed, but we like to have them for our own records. We're anal that way.) When submitting a classified in person, bring your ID. Inclusion: Acceptance of a classified does not guarantee publication. There are many many places to lose things in this office. Especially if that thing is your sanity. And finally: *The Brunswickan* reserves the right to refuse to publish any classified. Offensive classifieds have as much chance of getting published as the SUB has of being expanded before you graduate.

It's an honour to be human!  
by Luvandambyn Khuushan

"I am a human being." Those simple words have a ring of dignity and pride. That is why I think it is the highest honour To be a human being In body and soul. I do not love it, I hate To be flamed in the heat, Ice in the cold. But to warm the one freezing to death, To cool the one gasping in the heat-war, Not to flatter the powerful, Not to insult the weak. To lend a helping hand to those who stumble. That is how to be a human being. If you've carried dignity and worth As a banner of struggle, If you've never compromised with cunning and baseness, If you haven't feared death In the cause of truth and freedom, Be proud of yourself and say, "I've been a human being!"

*Dr. Abdul Q. Lodhi, founder, Atlantic Human Rights Centre, Saint Thomas University*

In loving memory of our friend and mentor, Dr. Abdul Lodhi, who passed away five years ago, on September 17, 1991. Missed and remembered every day by Melynda and Rachel.
