CAREERS

Right now the federal public service is recruiting '78 grads.

We hire all kinds of people—from marine biologists to industrial relations specialists. In the coming year, we expect to have a greater number of job opportunities for graduates in accounting, auditing, computer science, economics, certain engineering specializations and all areas of administration.

For information and application forms, see your campus placement office or your nearest Public Service Commission regional staffing office. Your application must be postmarked no later than October 13, 1977.

If you are interested in a career in any of the administrative areas, you will be asked to write a general examination. If you are applying to the foreign service, you must write the foreign service exam.

Foreign Service Exam: October 15, 9 a.m.
General Exam: October 18, 7 p.m.

Check with your campus placement office for the location of the exam centre nearest you.
