Commander Grant's report  
was to put a stop to that  
or enforce its debt.

A threat of that kind  
judiciously used at  
the right time would  
soon bring these people  
to their bearings.

Gen. Sherman - for the  
first time - seemed  
depressed & unwell  
his enormous fortune  
but he has assured  
him of thorough backing  
and with a 10 per cent  
guarantee of 3 per  
cent. The stock ought  
to find ready sale

at 70 a share in the  
English market.

They are making such  
progress with of late  
superior.

I am in pretty good  
health but feel tired  
every night. Compton's  
health decidedly bad  
and his spirits worse

I hope you will be  
here before Christmas

Yours sincerely  
Edmund

Gen C. Sherman
