The Right Honourable Arthur Meighen,
Senator,
Ottawa, Ont.,

My dear Senator,

In our Province, those
who were involved in defending the war measur-
es and in sympathy with the Unionist govern-
ment, have come out of the fray with wounds
that are not yet healed.

It is a reason why
staunch friends of these hard times should
be treated fairly and given help when occasion
offers.

A Judge of our County, Hon. Pierre D'Au-
teuil, just died; he was of the district of
Saguenay.
