Ottawa, 20th August, 1908.

Sir,

I have to request that you will kindly ascertain, and report at an early date, whether a man named Frank Chimety, who is now deceased, was a member of the River Desert Band. If he was a member of the band you should state whether he was married, and if he left a widow and family, and where these persons now are, that is whether they are on the reserve or elsewhere.

Your obedient servant.

Secretary.

W.J. McCaffrey, Esqr,

Indian Agent,

Maniwaki, P.Q.
