

OTTAWA, 13th July, 1905-

Madam-

In reply to your communication of the 5th Instant, I beg to say that a letter was received from you in December last, but as you gave no description of the land to which you referred, nor your Post Office address, the Department was unable to communicate with you.

Your communication does not give description of land and I have, therefore, to ask you to bring the matter to which you refer before the local Agent, Mr. S. Sutherland, Delaware, Ontario.

Your obedient servant

SECRETARY.

Mrs. Mary Whitelone,
Melbourne,
Ontario.
