On the night of the 19th of August, 1943, at about 2345 hrs.

I was standing outside the doors of Sandhurst Block,

soldiers approaching from the direction of the C.R.S.

I paid no more attention until I was pushed. I then
turned to ask why I was pushed and the next thing I knew,
I was on the ground.

The next thing that I remembered was someone grabbing my arm
I remembered nothing that followed until two Canadian
soldiers approached me, also from the direction of the
C.R.C. (Camp Reception Center). One assisted me while the
other helped Pte. Stephens who was crying and hysterical.

I then decided to report the matter to the 1st Cdn Para Bn.

Question - What direction is "from the direction of C.R.C."?
