

the vicinity trying to find Malton and he'll be definitely down by now, and it's an amphibian. He might possibly be on a lake if he could make it or anywhere else.

Const. Barnes- He didn't say anything about where he was though eh?

Toronto ATC - No, he didn't know.

Const. Barnes- Oh, I see.

Toronto ATC - So anything you get we would sure like.

Const. Barnes- Well we'll certainly give it to you if we hear anything at all.

Toronto ATC - Right, thank you sir.

Const. Barnes- Your welcome.

Toronto ATC - Goodbye. ND 0459.

Toronto ATC - Stirling Toronto. Connect Ottawa, please.

Stirling - Go ahead.

Toronto ATC - Ottawa Tower, Toronto.

Ottawa Tower - Ottawa Tower.

Toronto ATC - What time does our office open in Ottawa, do you know?

Ottawa Tower - I believe it's nine o'clock.

Toronto ATC - Do you know who's in town there right now. Is Bogart and PKC both in town?

Ottawa Tower - I know Mr. Casey's back from the trip to the West and as far as I know Mr. Bogart's there too.

Toronto ATC - I see, and do you have their home phone numbers?

Ottawa Tower - Yes, I can give them to you in just a minute if you like.

Toronto ATC - Well I don't think we'll try to get them at home. I'll have to be going off shift before they get there and I think we should turn this thing over to them, so I think the best thing to do would be for you to call Mr. Bogart at, say 7:30, he'll be up by then.
