GEO. MONTGOMERY WEST CAREY, M. A., D. D.—Geo. Montgomery West Carey, M. A., D. D., deceased Tuesday, May 16th instant, in the city of Ottawa. Our Brother was widely known and esteemed, both for his own and his work's sake. He was privileged to serve his Lord in the Gospel ministry for over 45 years. On his mother's side he belonged to the noted "West" family, two of his uncles being distinguished as ministers and authors. Nathaniel West, D. D., of Clifton Springs, N. Y., author of a most scholarly work on Daniel, is a nephew. Dr. Carey had his early training in the grammar school at Vankleek Hill; his parents residing in Breadalbane, Glengarry. He had his theological course in Rochester, and his D.D. from Acadia.

His first pastorate was in St. Catharines, Ont. The tender regard cherished towards him by the surviving members of his first love was evidenced by the touching scenes witnessed at the service in the old church in connection with his funeral. His other pastorates were in St. John, N.B.; Liverpool, England; Brantford and Ottawa, Ont.

In all these centres, he made a large circle of friends, including Christians of all denominations. Dr. Carey was a man of fine and cultured presence, genial disposition, and of marked controversial powers. He was an accurate scholar of marked literary tastes, a careful exegete, and of rare pulpit ability, a loyal Baptist, while his heart yielded charity to all who honored the name of Christ. His call to the presence chamber was unknown this side of the Veil, to himself and family. He expressed a desire to attend the funeral of Bro. John A. Cameron, but being somewhat indisposed, he sought rest in sleep. In a vision while he slept, his Master came and whispered, "Come up higher." He obeyed and opened his eyes on the other side of the Veil. He had been translated an hour before his wife knew she was widowed. "Precious unto the Lord is the death of His saints; they rest from their labors, and their works do follow them." He died in the home of his daughter, Mrs. Tyrrel. Appropriate services were conducted by Pastor A. A. Cameron, assisted by Dr. Rose, of the Dominion Methodist Church, and Dr. Herridge, of St. Andrew's Presbyterian.

Bro. Grant moved the adoption of the report, Bro. D. Hutchinson seconding. Carried.

Bro. C. Goodspeed reported for the Committee on Resolutions:

(1) The Lord's Day.

Moved by Bro. D. Bentley, seconded by Bro. Graham.

*Whereas*, We have learned with deep regret that judicial decisions have voided the intent and supposed meaning of the Lord's Day Act, as sought by the Christian people of Ontario and adopted by our Legislature,

*And, whereas*, We are glad to know that the Government of Ontario purpose to submit a test case to the Courts of Appeal, in order to secure an authoritative judgment;
