FANS SAY HA-HA In Exchange for These "Stars" Daring Giant Manager Trade Likely Ones

NEW YORK, Aug. 1 .—John Mc-Graw, Tsar of the New York Giants,

He is one of the few managers of the major leagues who figures only on today, relying on his money and prestige to get a club for tomorrow. McGraw made such drastic moves this year for a championship that he has wrecked his team. Instead of getting a pennant for himself, he looks at the present time to have thrown it away.

New York fans are bemoaning the trades that brought "Irish" Meusel, "Red" Causey, and Casey Stengel to the Glant fold with all the vehemence that the Pittsburg and Boston fans protested at the trades several weeks ago.

It was then charged openly that the wealthy Giants were buying the pennant, by outbidding the other clubs that wanted Meusel.

McGraw, although he was not in need of an outfielder; bought Mensel, the young long distance clouter of the Phils, for Walker, a promising young outfielder, Healine, a young catcher, and a cash sum said to have been \$50,000 or \$75,000. Meusel has been a terrible disappointment, not only has he forgotten how to hit, but he has been even

KINGSTON RINKS TAKE ALL THE CUPS has the reputation of being a daring EXCITING PLAY FOR THE RIGGS' TROPHY

> Kingston rinks carried off all the trophies at the third annual bowling tourney of the Belleville Club. Mr. Harry Newman's rink won the coveted Riggs' Cup. Mr. Elliott's carried off the Ritchie trophy and Mr. Manahan defeated Rev. D. C. Ramsay's for the Ackerman cup. The Kingston Club had only four rinks here and their record on the greens when three take home the prizes is a enviable and most unsual one.

Triesday afternoon and evening events moved fast as the three competitors wound to a close. The Riggs' competition was completed at seven o'clock after a very close game of 13 to 12. It was bowling all the way through. Mr. Arthur Middleton of Cobourg who contested the finals with Mr. Newman gave an excellent race. The game was contested end by end. At the sixth the rinks were tied. In the seventh when Cobourg was "lying" four, an unlucky shot by Middleton gave the Kingston rink two, Middleton tied in the eighth. His lead of three in the minth was cut off by Newman in the tenth. The eleventh, twelfth and thirteenth ends were won by Newman who had secured a lead of three. In the fourteenth Middleton "lay" one and in the fifteenth made two, but was down in the total by one. The fifteenth end had to be replayed as a fancy shot by Middleton drove the "kitty" off the

The Ritchie Trophy hung by a thread at the close. J. Elliott being tied with W. N. Belair at the fourteenth. The last shot netted the Kingston rink two points, ending the game 15-13.

Another Belleville rink, that of Rev. D. C. Ramsay was fortunate enough to get in the finals-in the Ackerman trophy. The Belleville skip under a big handicap of an adverse score, made a grand finish. He "killed" the fffteenth end by a brilliant shot, when he found he couldn't overcome the lead of four. In the sixteenth he lost two points. The score being Mana-
