Jan. 20 The funeral service of the late Miss Margaret E. Calder was held from her home here on Thursday afternoon. Rev. J. D. Corey officiated at the house and church, and was assisted at the grave by Rev. G. E. Tobin. A prepared choir rendered the hymns "We're gathering home," "Beautiful Isle of Somewhere," and "Sometime we'll understand." The address on Light and Resurrection and Reunion was impressive throughout. Calvin Lank, Archibald Calder, Thomas Calder, Pte. Lyman Langmaid, Milton Batson, and Philmore Chute acted as pall-bearers. The Baptist burial service, with the repeating of a few verses of the hymn "Faith," was used at the grave. Interment took place in the Episcopal cemetery. A very large concourse of relatives and friends were in attendance to sympathize with the family and show the last token of esteem to the deceased young lady. The floral tributes consisted of a large wreath of fern and roses from the Riker and Jaynes drug store, where she had been employed as book-keeper, a wreath from Mr. and Mrs. Edgar Calder and family, of Marblehead, also wreath from Mr. and Mrs. P. Winslow, of Lynn, Mass., a wreath from the family bearing the inscription "Sister Marguerite" and another with the inscription "Sister."

The following letter was received by Miss Gertrude Lank, North Road, Campobello.

Dec. 25, 1918. 16 Canadian General Hospital Orphington, Kent, Eng.

Dear Miss Lank:— This is to thank you for the stocking I found tied at the foot of my bed on awakening this morning which contained so many pretty and useful things. The necktie especially pleased me, although it may be sometime before I am able to wear it. It may interest you to know that I am only back in England one week after spending three atrocious months as a prisoner in Germany, and wounded at that. No doubt you read all about how the Hun treats his prisoner. Well, it is all true, only worse. We would have starved, of course, had it not been for the emergency parcels of food from the British Red Cross. Very few of us would ever have returned. The medical treatment was terrible; light wounds soon developed into ferocious things to look upon. You cannot imagine what a relief it was when we heard a British Red Cross train had arrived, and that our troubles were over. Everybody here has been very kind to us. We have been showered with gifts ever since our arrival at Dover. You may think that spending Xmas in a hospital is not the most cheerful place in the world, but it is Heaven compared with what we left behind. I hope that you enjoyed a Merry Xmas yourself and that you will enjoy many others. Thanking you once more for your nice gifts.

I am, Yours Sincerely, Pte. A. E. WAN 3232856 43 Canadian Batt.

The following letter was recently received from Pte. Frank Lank, by his sister, Germany, Dec. 18th 1918.

Dear Sister:— I am dropping you a few lines to let you know that I am well, and hope that they will find you all the same. We have had quite a march but we are in dear old Germany at last. We are going to stay here until peace is signed and then I suppose we will try and get back to Canada. Well, we have a great time here in Germany. We do not know what cold weather is here. There is quite a lot of rain here. I am staying at a German house. We have good beds

and good food, and the woman is just like a mother to me. I have just got the watch and tobacco that you sent. Well as that is all this time I will close with love to all the family.
