**CURLING**

**Reid Officials At Play**

Saturday afternoon is a holiday with the Reid Nfd. Co.'s office hands, and during the curling season very enjoyable contests are held at the rink.

Saturday afternoon saw the third of a series of contests between teams from the second and top flats of the building.

The first two games were skipped by Messrs. R. G. Reid and E. Taylor, and both were won by the latter.

For the third match it was decided for the skips to lead, and the leads on the former occasion to skip. The result was a complete victory for the first losers.

It was an enjoyable contest and the players derived the fullest measure of fun out of it.

Mr. Crawford skipped the losers, and some of his side say that as his liberality is proverbial, he did not wish to win too often; while the others affirm that the losers did their best to win, but could not.

The teams were:  
E. Taylor R. G. Reid  
F. W. Hayward W. F. Joyce  
P. Duff D. Duff  
H. Crawford 1 (sk.) J. Baxter 19

**THE "SKITTY-PAWS"**

Friday evening a notice was posted on the board by a well known legal gentleman, requesting that one rink be reserved for Saturday night, as the "Skitty-Paws" had challenged the world. The challenge was accepted and the game took place Saturday night under favorable conditions.

The left handers proved that they knew the game thoroughly and defeated their opponents by 5 points.

The players were:  
Left Hand Right Hand  
W. S. Monroe J. Grieve  
J. S. Munn R. G. Reid  
W. H. Duder W. R. Warren  
J. Peters 17 (sk.) A. Donnelly 12

**THE CARBONEAROS**

One of the most enjoyable, if not closest contests, which ever took

place at the curling rink, was played Saturday night by a number of members who styled themselves the Carbonearos.

They were playing for charity and christened themselves as stated because of the fact that they were at Carbonear on Wednesday last, which was Charity Day with the curlers.

All were members of the mystic tie, and a jolly bunch, a fact easily seen from the joviality which characterized their play.

The two District Grand Masters took a part and demonstrated to the spectators that they were well posted.

If Saturday night's game be an evidence of the time they spent in Conception Bay, and we think it was, then it certainly was enjoyable.

Curling is usually played four a side, but the Masons desired a little deviation after their visit to the neighboring towns, so the sides were made up of five each.

Messrs. C. R. Duder and H. E. the Cowan, two reliable and experienced skips 'led'.

The result was a complete victory for Mr. R. C. Smith, who is a past master in matters other than Masonic. The proceeds were devoted to the Charity Fund and the receipts of Wednesday were considerably augmented.

The teams were:  
H. E. Cowan C. R. Duder  
T. Cooke W. J. Edgar  
A. Munn R. G. Ash  
E. Taylor A. Wilson  
R. C. Smith 23 (sk.) J. A. Clift 8

**Lumbago Body Belts**

WE secured a clearing lot at a special price, and offer now, four belts for the price of one. These belts are 12 inches wide, knitted with an elastic stitch, and are made of the purest wool, and shaped to pull up over the feet on to the small of the back, there to cling snugly, closely around the loins, and send a glow of heat just where it is needed.

Men and women that are exposed to cold and wet weather, sometime in life, will be effected with pains in the back, and will try many remedies without "a cure."

Doctors recommend to keep the body warm. These belts are recommended by army doctors, particularly for men exposed to cold and wet, because they tend, in a wonderful manner, to restore the natural heat of the body, and in many cases effect a cure.

Brigade boys, when they leave off their overcoats on parade, in winter time, would do well to compensate by wearing one of these all-wool belts around their loins, next the skin, and avoid the future possibility of those distressing Lumbago pains.

All sizes for Men and Women. Price 30 cts. Each.
