IRISHMEN ARE NOT BACKWARD IN JOINING ARMY

LONDON, Dec. 7.—Speaking at a
great demonstration at Tuam, Ireland Sunday, John E. Redmond, leader of the Irish Nationalist party, replied to statements that Ireland was not doing her duty in the present crisis. He quoted official statistics showing that despite the fact that emigration had drawn from Ireland the flower of her population, there were serving with the military forces of the Crown on Nov. 29, 89,000 Irishmen, who had been in the army before the war began or who had joined as reservists or recruits. It is to that that were added tens of thousands of Irish recruits who were joining the colors in Great Britain, or were now in the ranks of the Canadian, Australian or New Zealand contingents, he said it was safe to say from 130,000 to 140,000 Irishmen were with the colors.

Mr. Redmond declared that 52,000 of the 89,000 Irishmen in the home army were Catholics. He said that 70,172 Irish volunteers had gone to the colors from Belfast, while in the same city the Nationalist volunteers, who represented only a quarter of the population, had contributed 3,573 men. This, he believed, was only the beginning of what Irishmen would do.

A MASTER WORK OF SONG
MUSIC.
During our remarkable collection of "Heart Songs"—the greatest single-volume song collection ever published—we have come into personal contact with hundreds of our readers. This is one feature that has been especially agreeable to us, since we have come to know that they are among the most refined and cultured classes of this community. That we have been able to render them a service, and provide them with a means of enjoyment that will last for years, is also a matter of congratulation to ourselves. We have only one regret, and that is that we are unable to re-issue our "Heart Songs" more "Heart Songs." Unless we are greatly mistaken, the number on hand will barely satisfy the coupons yet to be presented. These latter are printed each day in the paper.

RECRUITS AT TORONTO
LONDON, Ont., Dec. 7.—Seventy-five men recruited by No. 16 Canadian army service corps, left London at 9 o'clock this morning for Toronto, where they will join No. 14 C.A.S.C. for training for the second Canadian contingent. On the way to the depot, a taxi chauffeur, Albert Chesney, abandoned his cab at the side of the street and was seen in by a justice of the peace as the train pulled out. He left with the corps as a member of mechanical transport.

WELL GO BUST.
WINNIPEG, Dec. 7.—Addressing the annual meeting of the Winnipeg Canadian Club, Hon. Arthur Meighen aroused great enthusiasm when he declared that the Canadian Government stands ready to bankrupt this Dominion to support the mother country in this war, for it is our war in the best sense of the word and no sacrifice is too great for us to make at this time. He followed and then invited us to the club adopted a resolution favoring greater restrictions on the liquor traffic during war time.

THEY OBJECTED.
TORONTO, Dec. 7.—At a meeting held yesterday afternoon in the Simpson Avenue Methodist Church, Sunday School teachers and the executive of the teachers passed a very strong resolution condemning the church authorities responsible for the circulation in the Sunday Schools of the "Sunday School Times." The teachers considered that an article which appeared in this paper a short time ago, was pro-German and designed to have a bad effect on Sunday school pupils. They resolved to bar the paper from the Sunday School and will take steps looking to its being kept out of Canada.

WILSON OBJECTS.
WASHINGTON, Dec. 7.—President Wilson announced to-day that he was opposed to Representative Gardner's plan for investigating the preparedness of the United States for national defence, because he thought it was an unwise way of handling a "question which might create very unfavorable international impressions."

BATTALIONS QUARTERED
AT LONDON AND GUELPH
LONDON, Ont., Dec. 7.—According to military headquarters here one of the additional battalions to be raised for active service will be quartered here and the other at Guelph. The two of the division squadrons of cavalry will also be quartered in this city, while the battery of artillery at Guelph will be transferred to Guelph, where training facilities for artillery are better.

LATE EDWARD JONES
The funeral of the late Edward Jones took place yesterday from the residence 7 Ark Avenue, to Mount Hope cemetery. The deceased, who was popularly known, was widely mourned and a great number of his friends attended the last sad ceremonies, conducted by the Rev. Jackson of this city, at the house and graveside. Flowers were profusely offered in memory of the deceased.

Indian Rulers Regret Action of the Turks

LONDON, Dec. 7.—Through Reuters' Ottawa Agency—A telegram from Delhi, India, states: "All the great native states of India have now expressed regret to the viceroy that Turkey has joined Germany in fighting England, under whose benign rule the Moslem has enjoyed perfect religious freedom. "All the ruling princes continue to take the keenest interest in the war. They have subscribed now about £200,000 to the Prince of Wales relief fund and the Indian relief fund, and approximately £800,000 to the expenses of the war. This includes £400,000 from the Nizam of Hyderabad and £200,000 from the Maharaja of Mysore. "A further sum of nearly £300,000 has been given by the chiefs to provide motor cycles, telescopes and kindred equipment, and £240,000 has been given by Maharaja Scindia of Gwalior, who has also presented a motor ambulance, consisting of 41 cars, for the use of the troops in East Africa. "Besides these gifts, many of the chiefs have presented a large number of horses, mules and camels, and even their private motor cars. A hospital ship, which is splendidly equipped, is another of their donations."

IN AID OF RED CROSS FUNDS OF Women's Patriotic League

"For the Alleviation of Suffering and the Divine Mission of Mercy—Our Children Do This!"

COME AND DO YOUR PART!

1100 Voice Choir—Conductor J. R. Cornelius
Symphony Orchestra

TUESDAY, DEC. 8
Doors Open 6.45 p.m.

On behalf of the funds of the above Association, the Executive have arranged to reproduce the Children's Concert on Tuesday next, Dec. 8th, at the Armouries.

The Committee, while realizing that a number of ticket-holders for the first Concert were unable to gain admittance, believe that the citizens of Brantford will forego their claims and again purchase tickets, when they remember that the proceeds are for the purpose of purchasing hospital requirements for the alleviation of the sufferings of wounded soldiers and sailors.

For the benefit of those who do not see their way clear to do this, a member of the Executive will be in attendance at the Y. M. C. A. (Women's Patriotic League) on TUESDAY, DEC. 8TH, between the hours of 10 and 12 a.m. and 3 and 5 p.m., to change such undredeemed tickets as may be demanded for those for Tuesday's concert.

Arrangements have been made for sufficient police and militia to be on duty, and the public may rest assured that no crushing will take place. The Hall will be well heated, and the comfort of the audience and children guaranteed.

Doors will be opened at 6.45 p.m. sharp, and street cars for every point in the city will be provided at the conclusion of the concert.

ASK GOVERNMENT TO US

German Professors at Toronto Have Caused Headache and Trouble.

Public Not Satisfied that They Should Draw Pay.

TORONTO, Ontario, Dec. 7.—The resignation of Sir J. Oiler from the Board of Governors of the University of Toronto at the end of the disturbance in city affairs arising out of the resignation of three unnamed German professors.

The decision of the Board of Governors to give the three "leave of absence" was thought to be a medium course between the two extremes of dismissal and acceptance of resignation. It was thought that the public criticism, in reaching a majority of the board, it is said favoring dismissal of the German professors, would not carry its conclusion in face of the stand taken by President Oiler.

Instead of improving matters, it has been intensified. The resignation of the professors on the sale of the university is no longer a subject of discussion chiefly in editorial circles. The "man in the street" now takes an interest in the matter and varied were the proposals to deal with the situation. Some of them have almost all of them having as their object the "dismissal" of the German professors. It is not clear that the conclusion in face of the stand taken by President Oiler.
