The Election

The largest vote ever polled in the history of the Village of Waterdown was cast at the election held here on Monday last. Interest in the Referendum brought out a large number of women voters, who ably exercised their franchise for the first time.

The result of the Referendum vote in the village was as follows:

Polling Div. No. 1.		Polling Div. No. 2.	
Yes	No	Yes	No
1.	29	1.	61
2.	35	2.	66
3.	35	3.	62
4.	37	4.	70

Total Majorities for No

1.	217
2.	195
3.	203
4.	183

Biggs' majority in the village was 96, Div. No. 1 giving him 35, and Div. No. 2, 61.

The sweeping victory for the United Farmers throughout the Province came as a surprise to the old time political forecasters, and is an evidence that the people are ready for a change. What the future of the new party will be is hard to say. A coalition with either the Reform or Tory party means certain death to the U. F. O., while the forming of a government of its own will cause a uniting of the older parties for its destruction. The course of the U. F. O. will be watched with interest by every Province in the Dominion.

The Family Herald and Waterdown Review one year for \$2.

The Visit of the Prince

The Prince of Wales' visit to Canada is about to end. The thousands who have seen him want to see him again. He has certainly won the hearts of all Canada. The Family Herald and Weekly Star of Montreal with characteristic enterprise have secured a real life-like portrait of the Prince, 16 x 22 inches, that should be in every Canadian home. It is a very pleasing portrait and bears a copy of the Prince's autograph. The Family Herald sends a copy of this portrait free to all Family Herald subscribers for 1920. The subscription price of that great family paper is \$1.25 a year, big value in itself, but with the Prince's portrait certainly is the greatest value ever offered. The Family Herald and Weekly Star will be kept busy booking orders, as the demand has set in with a rush. People who are not subscribers to the Family Herald and Weekly Star, have no idea of the treat they are missing.

TODAY HELP HIM!

Support the Boys' Naval Brigades

Because these are the only organizations training Canadian boys for service in our merchant fleet now being built.

Canadians Must Sail the Seas

Because we cannot leave our growing export trade at the mercy of foreign seamen.

Canada Needs Trained Canadian Seamen The Naval Brigades Train Our Boys

Aims of the
 NAVY LEAGUE
 OF CANADA

To emphasize Canada's opportunities and responsibilities on the sea.

To raise funds for the relief of our merchant seamen, injured in the war, and for dependents of those who were killed.

To maintain sailors' homes in our ports.

To train boys and young men for our merchant ships by the organization of Boys' Naval Brigades.

 H.R.H. THE

 AEMILIUS JARVIS

\$500,000 is Needed

Because the work of the Boys' Naval Brigades and the other branches of the Navy League's activities are financed by public contributions.

The Campaign Must Be a Success

Because Canada must be assured that her increasing surplus products will reach overseas markets.

The Race for Export Markets

is on. One quarter of the world's shipping was lost in the war. Canada cannot buy or rent ships and so is building them, and must be in a position to man them with trained Canadian seamen.
