**A Happy and Prosperous
New Year to All**

Peter Mitchell

WATERDOWN,

ONTARIO

Crude Canada.

We hear many things from the English papers about the prince's visit that we did not hear during his stay here. Note the following paragraph from the Saturday Review. "It is needless to say that the Canadian press married our Heir Apparent to at least three young ladies by name; and hardly a newspaper omitted the headline, 'Is it a Royal Romance?' Indeed it was not safe for any young lady with tolerable pretensions to beauty and position to be seen in Canada within a hundred miles of the royal train. And dire were the social feuds left in the track of the illustrious tourist! At Windsor, Ontario, the president of the Canadian Ford Company, we are informed, drew lots for 250 out of 2,600 applicants to dine with the prince; and one lady wrote that she had a special claim to be invited because she was 'familiar with finger-bowls and English etiquette.' At another place, which will be nameless, the governor's lady had long been at war with female society. But when the prince landed she was de par le Roi the first lady in the province, and dealt out remorseless punishment to her foes."

No Apples for Australia.

That the Australian embargo will prevent the importation by Australia of any apples from British Columbia this year is the word contained in a cable received by the Department of Trade and Commerce from D. H. Ross, Canadian Trade Commissioner at Melbourne. Mailed advices from Mr. Ross, just received, explain that in a recent interview the Commonwealth Minister of Commerce expressed a desire to maintain the established trading connections between Canada and Australia, but the Minister held out but little prospect of the embargo being lifted during 1918. Mr. Ross says that up to the time of writing not a single case of Australian apples had been exported, apart from a contract made with the Imperial authorities for 1,800 tons of evaporated apples.

That Is the Question.

A Calgary lady has brought suit against that corporation for damages allegedly done a fashionable walking dress through tar oozing from the pavement. The defence naturally raises the question how a fashionable walking dress could come in contact with the pavement.

Fish Safe on Sundays.

Under the direction of the Lord's Day Alliance, prosecutions are being initiated at Flesherton against visitors who are unaware that in Ontario it is a crime to fish on Sundays.
