

Does Your Heart Beat

Yes, 100,000 times each day. Does it send out good blood or bad blood? You know, for good blood is good health; bad blood, bad health. And you know precisely what to take for bad blood—Ayer's Sarsaparilla. Doctors have endorsed it for 60 years.

One frequent cause of bad blood is a sluggish liver. This produces constipation, and the blood is then absorbed into the blood. Keep the bowels open with Ayer's Pills.

AN OPEN LETTER

To the People of Athens

To Whom It May Concern:
Of late there has been a good deal of discussion in Athens in regard to advertised medicines and their value—the papers are full of them.

We want to say to every man, woman and child in Athens that we believe the most valuable preparation of cod liver oil—the best tonic, restorative, health restorer and strength creator—we have ever sold in our store is Vinol.

Vinol is not a patent medicine, it contains no injurious drugs, but it actually does contain all of the medicinal, curative elements taken from fresh cods' livers, without a drop of the useless oil to upset the stomach and retard its work, and tonic iron added. Vinol is recognized throughout the world as the greatest strength creator for old people, weak, sickly women and children, nursing mothers, and after a severe sickness.

Vinol cures hacking coughs, chronic colds, bronchitis, and all throat and lung troubles. We ask the people of Athens to try Vinol on our offer to return money if it fails. J. P. Lamb & Son, Druggists, Athens, Ont.

ASKS US TO PRINT IT

To relieve the worst forms of Rheumatism, take a teaspoonful of the following mixture after each meal and at bedtime:

Fluid Extract Dandelion, one half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces.

These harmless ingredients can be obtained from our home druggists, and are easily mixed by shaking them well in a bottle. Relief is generally felt from the first few doses.

This prescription, states a well known authority in a Cleveland morning paper, forces the clogged up, in active kidneys to filter and strain from the blood the poisonous waste matter and uric acid, which causes Rheumatism.

As Rheumatism is not only the most painful and torturous disease, but dangerous to life, this simple recipe will no doubt be greatly valued by many sufferers here at home, who should at once prepare the mixture to get this relief.

It is said that a person who would take this prescription regularly, a dose or two daily, even a few times a week, would never have serious Kidney or Urinary disorders or Rheumatism.

Cut this out and preserve it. Good Rheumatism prescriptions which really relieve are scarce, indeed, and when you need it, you want it badly. Our druggists here say they will either supply these ingredients or make the mixture ready to take, if any of our readers so prefer.

YOU AND I AND CRAWF

I'll never rack my brain again,
Oh no, I never will,
In writing for newspaper men
Who treat my friend so ill.

Ye owe him for a thousand songs
And stories not a few—
We wish that others do by him
As others do by you.

For when our pay to you comes due,
You dun us straight and stout,
And then we have to stop at once
And get our wallet out.

With striped trousers you can strut
Upon your office floor,
While oft, the patches on our pants
Deck them both aft and fore.

And while in luxury you live,
He often lives in doubt;
If only half his praise was cash
He'd buy you rascals out.

Although I'm old and getting grey,
I'll tell you plainly why
We love your paper, but not you,
My dear old wife and I.

For when we read Crawf's tender strains
And brush the falling tear,
We think to recompense his pains
You'd prosper better here.

His poet heart with filial love
May thro' and overflow,
But what is right is only right
Wherever we may go.

Nor can a poet wing his flight
Above this world of care,
Unbending either wrong or right
Or who his debtors are.

Now, ye newspaper men, we pray,
Don't throw this matter off,
But as we send our dues to you
Just pass them on to Crawf.

For, sure we want his ode on spring,
He writes it up so nice,
You'll find it full of joyful things
And cheap at any price.

But when we ask him for this rhyme,
I fear he'll answer nay,
For he can't afford to lose his time
And never get his pay.

I hope my ode is not too long,
But yet I hope you see
'Tis this indeed and not the bugs
To night that's bothering me.

Back Country Man.

An excellent remedy for Rheumatism, Lame Back, Etc., Etc.

Read the following testimonial from a man you all know:

Portland, Feb. 8, 1908

Mr. W. A. Singleton,

Quebec, Ont.

Dear Sir,—In the winter of 1907 I was laid up with La Grippe and unable to get relief from several other patent medicines. I was convinced by several of my neighbors to try St. Regis Lumbago Cure, and I can thankfully say it was the first thing that gave me immediate relief. Since that time I have never been without it in my house, and cannot speak too highly of it, especially for children, as it will break up a cold at once. I have also found it a sure cure for lame back.
