

VITALITY REGAINED KIDNEYS CURED

Health Restored By
"Fruit-a-tives"

HAGERVILLE, ONT., Aug. 26th, 1913.
"About two years ago, I found my health in a very bad state. My kidneys and liver were not doing their work, and I became all run-down. I felt the need of some good remedy and having seen 'Fruit-a-tives' advertised, I decided to try them.
Their effect, I found more than satisfactory. Their action was mild and the results all that could have been expected.
My liver and kidneys resumed their normal action after I had taken upwards of a dozen boxes, and I regained my old time vitality. Today, I am as well as ever, the best health I have ever enjoyed, and I unhesitatingly give you this testimonial for publication if you wish."
B. A. KELLY.
In hundreds of letters received by the Fruit-a-tives Company, the same expression is used "Fruit-a-tives is the best kidney remedy in the world." At any rate, these tablets have proved the best to the hundreds of men and women who have been cured by taking them. 50c. per box, 6 for \$2.50, trial size, 25c. At all dealers or sent on receipt of price by Fruit-a-tives Limited, Ottawa.

If Men Can Say.
When I am dead, if men can say:
'He helped the world upon its way,
With all his faults of word and deed,
Mankind did have some little need
Of what he gave'—then in my grave
No greater honor shall I crave.
If they can say, if they but can,
'He did his best, he played the man,
His ways were straight, his soul was clean;
His failings not unkind nor mean,
He loved his fellowmen and tried
To help them'—I'd be satisfied.
But when I'm gone, if even one
Can weep because my life is done,
And feel the world is something bare
Because I am no longer there;
Call me a knave, my life mispent,
No matter, I shall be content.

The Cigaret Smoker Wanting in Manhood and Frankness.

In response to an inquiry made of a prominent New York banking house as to why it displays the notice, 'The use of cigarettes is forbidden,' the manager replied: 'I have found by bitter experience that the cigarette smoker is the most degenerate of all the persons I deal with. He is careless, reckless, untruthful, and utterly wanting in manhood and frankness, his brain is bewildered, and there is nothing before him but rolling cigarettes, taking a few puffs, and considering himself equal to any occasion. The cigarette smoker is the most nervous, childlike, faithless person that we have anything to do with.'

The Forty Year Test.

An article must have exceptional merit to survive for a period of forty years. Chamberlain's Cough Remedy was first offered to the public in 1872. From a small beginning it has grown in favor and popularity until it has attained a world wide reputation. You will find nothing better for a cough or cold. Try it and you will understand why it is a favorite after a period of more than forty years. It not only gives relief—it cures! For sale by all dealers.

Chronic Stomach Trouble Cured.

There is nothing more discouraging than a chronic disorder of the stomach. It is not surprising that many suffer for years with such an ailment when a permanent cure is within their reach and may be had for a trifle! About one year ago I saw F. H. Beck of Wolfville, Mich. I bought a package of Chamberlain's Tablets, and soon using them I have felt perfectly well. I had previously used many medicines of different medicines, but none of them were of any lasting benefit. For sale by all dealers.

A Valuable Industry.

The lobster industry of Nova Scotia is the most valuable in the world. The total market value of all the lobsters taken from its waters for the year ending March 31, 1912, reached the three million mark, as compared with a corresponding value of five million for the whole Dominion.
New Brunswick's lobster fisheries were valued at \$743,859. Prince Edward Island at \$331,519 and Quebec at \$363,832 during the same year. The lobster is also the most valuable of all the provincial fisheries, totalling one third of the entire fishery value thereof, while in the Dominion its position is surpassed only by salmon. It is the main sustenance of some 2,000 fishermen, and as many as 14,000 persons, male and female, find employment in the canneries.
The amount of capital invested is very large. Besides the value of boats and outfits which are used for general fishing purposes, as well as the lobster, there are in 1911 12 some 150,067 traps, valued at \$644,110, 227 canneries valued at \$236,945. In addition to the capital invested in cold storage plants, fish houses, and other smaller allied industries closely connected with the carrying on of the lobster industry.

Eczema and Sore Eyes.

'My daughter suffered from inflamed eyelids and eczema on her face,' writes Mr. H. W. Lane, Fort Erie, Ont. 'The child was in a bad state and suffered greatly. The doctor failed to help her, and on recommendation of a friend, I used Dr. Chase's Ointment, which made a complete cure. With a grateful heart I write you this letter.'

'Pity the blind!' Yes, pity those whom day and night enclose
In equal dark; to whom the sun's keen flame
And pitchy night time are the same.
But pity most the blind
Who cannot see
That to be kind
Is life's felicity.
—Richard Watson Gilder.

A Weak Chested Boy.

'My boy Frank cannot walk, climb and talk a very severe cold,' writes Mrs. D. Steven, Niagara Falls, Ont. 'The many medicines used did not seem to benefit him, until my friend Dr. Chase's Syrup of Licorice and Turpentine and found it to be exactly what was wanted to cure him.' No treatment is so thorough and effective as a cure for cough and bronchitis.

Teacher—How nicely Willie recites 'Woodman, spare that tree!'
Superintendent—Yes, he even shakes like a leaf.

A poor old woman of the Tennessee mountains type was found weeping bitterly by a passing traveller. He made bold to inquire the cause of her grief.

'I done heard my son's been sent to de leg' later,' she answered. 'I don't know what or how long, but I prays God they'll be easy on him.'

When Bubbie went to see his grand mother he was much interested in whatever went on in the kitchen. One day she said to him: 'I'm going to make you a nice little pie in a sauce, all for you self. Don't you think I'm pretty good to take so much trouble?'
Bobbie pondered. 'Grandma,' he said at length, 'mother told me not to be a bother, and if it's goin' to be any trouble you can just as well make my pie reg'lar size.'

Not a Knocker.

A worker in one of the mission settlements was speaking to some school front boys, with reference to Roman history. He acted upon the doings of Nero, giving a vivid picture of the cruelty of the emperor. It seemed to the speaker that he had fixed the 'fate of injustice and wickedness in the minds of his hearers. Then he began to ask a few questions.

'Boys, what do you think of Nero?' Silence, broken only by a noise of shifting of the feet in their seats.
'Well, Clancy,' said the lecturer making an individual appeal, 'what do you think of Nero? Would you like to know him?'
Clancy hesitated finally, after again being urged to reply, he did so in these words:
'Well, he never did nothin' to me.'

We Have Faith in This Stomach Remedy.

A woman customer said to us the other day, 'Sis, you ought to tell everyone in town about Rexall Dyspepsia Tablets. I would myself if I could! That set us to thinking. So many people have used them and have so enthusiastically sounded their praises both to us and their friends, that we had an idea you all knew about them. But, in the chance that some of you who suffer from indigestion, heartburn, dyspepsia, or some other stomach complaint, don't know about them—we are writing this.'

They contain Bismuth and Pepsin, two of the greatest digestive aids known to medical science. They soothe and comfort the stomach, promote the secretion of gastric juice, help to quickly digest the food and convert it into rich, red blood, and improve the action of the bowels. We believe them to be the best remedy made for indigestion and dyspepsia. We certainly wouldn't offer them to you entirely at our risk unless we felt sure they would do you a lot of good. If Rexall Dyspepsia Tablets do not relieve your indigestion and check the heartburn, and make it possible for you to eat what you like whenever you like, come back and get your money.
Sold only at the more than 7,000 Rexall Stores, and in this town only at our store. Three sizes, 25c. 50c. and \$1.00. A. V. Rand, Wolfville.

Canadian Apples in South Africa.

Canadian Trade Commissioner W. J. Egan of Capetown reports to the Trade and Commerce Department, that opinion among the various dealers varies with reference to Canadian apples in South Africa during the past year. Durban dealers report the grading and packing of Nova Scotia fruit all right in every particular. They complain that Nova Scotia, Kings and Wagners, are on the whole a great disappointment, poor in color and keeping qualities. Ontario fruit left nothing to be desired. Mr. Egan said the South African market during October, November and December is splendid for good Canadian apples, and they will command good prices.

The Deputy Minister of Agriculture for British Columbia gave the following sage advice to the Royal Colonial Institute to parents concerning emigration to Canada. Don't send your boy out with unlimited money and knowing that he has only to apply for more at home. Throw him on his own resources and let him prove his mettle. Don't pay a premium. If the boy has anything in him he should be worth his board.

As Alabama man, meeting an old colored man formerly in his service, put to him the usual question: 'Well Jed, how are you to day?'
'To'able, sah, to'able,' cautiously replied Jed. 'Ah'd be all right, sah, if it wasn't for de rheumatism in mah right laig.'
'Ah, well, Jed, we musn't complain. We're all getting old, and old age does not come alone.'
'O'd age ain't got nuthin' to do wid it, sah. Heah's mah other laig, just as old, an' dat's sound an' soople as kin be!'
