

### JOE GABRIEL'S BODY RECOVERED

#### Indian Who Was Drowned With His Wife a Few Miles Below Town - Found by Tug Boat Employee.

At half past nine this morning the body of Joe Gabriel, who was drowned about ten days ago with his wife, six miles below town, was discovered floating in the river by Edward Boyle, an employee on one of the tug boats. The body, which was in a bad condition, was brought to shore and Coroner H. Mitchell, who was summoned, decided that an inquest was not necessary. Word was sent to Indian Agent James Farrell, who telephoned Mr. Hamberly to inform the Indians of the St. Mary's Reserve that the body had been found.

#### Reception and Dance.

A reception and dance was held the other evening at Douglas, in the spacious parlors of Mr. and Mrs. Samuel Stevens, in honor of Miss Jennie Love, of Boston, Mass., who is visiting at Mr. and Mrs. Judson Barker's, Saunders street. A large number drove up from Fredericton, including a number from the Queen Hotel. Among those present was Mr. Randolph Merritt, as well as a number of others from Boston. Halley's orchestra rendered very acceptable music and dancing was indulged in until the "wee sma' hours". Mr. and Mrs. Samuel Stevens proved to be very amiable and their charming young daughters added not a little to the evening's entertainment. About two o'clock a sumptuous repast was served and all returned home well pleased with the evening's entertainment. There were 40 couples in all.

#### Grand Fair at Marysville.

Pickard L. O. L., No. 40, intend holding a grand fair and fancy sale in the Orange Hall at Marysville on October 10, 11 and 12. The fair promises to eclipse anything of the kind ever before held in the busy manufacturing town. One of its special features will be a voting contest to decide who is the most popular hockey player in Fredericton. Marysville. The names of Stanley Staples and Billy Kane are being prominently mentioned as winners in the contest. There will also be a valuable gate prize—a silver tea set valued at \$25. There will also be amusements and refreshments of all kinds. Music will be provided by the Marysville Brass Band. Every body come and enjoy themselves.

#### Lumber Operations Not Interfered With

In connection with the telegram which appeared in these columns last night concerning the lease of the New Brunswick Railway Lands by the New Brunswick Game Club, which has recently been formed, Manager Whitehead, of the club, said this morning that this would in no way interfere with lumber operations along the road. The lease merely conveys to the company all fishing and shooting privileges, neither of which are interfered with by the cutting of lumber, and these operations will continue as before.

#### Scott Act Cases

At the police court this afternoon two Scott Act cases were brought before Col. Marsh, one against W. H. Foster and the other against Roy Vessey, both of North Lake, the informant in both cases being Rev. John Colter. The Vessey case came up first and Ollis Carr was called as a witness and testified that he had bought brandy from Vessey on the 22nd day of August last. Both cases were adjourned. Information in three local Scott Act cases were left before his honor this morning, each of which was acknowledged, and the usual fines paid.

#### Assault Case at St. Marys

An assault case from St. Marys occupied the attention of Col. Marsh this morning. Walter Wilson, the well known junk man, complained that Mary Harris assaulted him with an axe handle in her own shed and beat him severely, leaving him with a split lip and lame arm. The trouble arose out of his having ordered Miss Harris' younger sister of his premises, and she refusing to go he had to hit her with a horse whip. A. J. Gregory, K.C., appeared for the defendant, who was in court with her witnesses. The case was adjourned.

#### More Hunters for New Brunswick Woods.

Messrs. A. L. Powell, Martin Cantin, Geo. H. Davis, Jas. E. Broadhead and P. M. Price, who arrived on the American express from New York this morning, leave today, with Jim Paul and Thomas Canadian as guides, for Boletown and thence for the Miramichi woods.

#### Change of Time.

Commencing Monday, October 1st, and until further notice, steamers of the Star Line S. S. Co. will leave Fredericton for St. John and intermediate points at seven o'clock a.m.

#### THE WEATHER

Toronto, Sept. 28—Maritime: Moderate to fresh northerly winds, fine and a little cooler today and until Saturday night.

Washington, Sept. 28—Eastern States and Northern New-York: Fair and warmer tonight; Saturday, rain, fresh northeast shifting to southwest winds.

As a dressing for sores, bruises and burns Chamberlain's Salve is all that can be desired. It is soothing and healing in its effect. It allays the pain of a burn almost instantly. This salve is also a certain cure for chapped hands and diseases of the skin. Price 25 cents. For sale by all druggists.

### RIFLE SHOOTING AT MARYSVILLE

#### Civilian Rifle Association Have Their Annual Meet—The Prize Winners and the Scores Made.

About twenty-five members of the Marysville Civilian Rifle Association held their annual outing at St. Marys range yesterday and some good scores were made, considering the darkness of the day.

Mr. Wm. Lindsay served dinner on the grounds and notwithstanding the disagreeable weather a jolly good time was spent by all. Mr. John Duncan acted as range master.

The following is the list of prize winners and the scores:

Chas. McLean, knife	79
Lennie Inch, butter knife	76
800 Yards, Ten Shots	35
George Robertson, meat fork	35
Duncan Robinson, necktie	34

### THE HAPPENINGS AROUND GIBSON

Gibson, N.B., Sept. 28.—The ladies of Broadway Baptist church held a very delightful hot tea on Wednesday evening last, in the Temperance Hall. The proceeds were beautifully and artistically trimmed with flags and bunting and presented a very attractive appearance. Four long tables used for the tea were also nicely adorned with flowers and were equally weighed down with good things. Everything in the way of vegetables, meats, with chickens and turkeys and other dainties and delicacies, were served by the busy waiters. Tickets for this tea were sold for 25c. by Mr. Jack Miles and Mr. Ray Foster. There were also for sale artistic little baskets filled with candies and fruit.

Mr. Jack Miles entertained the audience with some fine gramophone selections. Between eight and nine o'clock Mr. D. V. Storm began to auction off the fruits and cakes left from the tea and everything went off fine. At the close a vote of thanks was extended on behalf of those who attended, for the way in which they had patronized and helped make the supper a complete success. Mr. Richard Harvey then extended a vote of thanks to Messrs. Jack Miles and D. V. Storm for the very attractive way in which they had adorned the hall. Altogether the supper was a grand success in every form and upwards of \$30 was made.

A concert will be held this evening in Broadway Baptist church by a blind gentleman, Mr. Morse, who will also have a little boy sing several selections. A silver collection will be taken.

Mr. Holland McGill has returned from Grand Manan.

Mrs. William Milne has returned from Marysville.

Mr. W. Bradley has gone to the Northwest.

#### JOHN BURKE IN COURT.

#### Conducts His Own Defence—Cross Examination of Officer King.

Among the cases, which came before His Honor Judge Marsh at the police court this morning was the charge against John Burke, a sewer age laborer, for being drunk and loitering for fight on the public streets yesterday afternoon. The prisoner pleaded "not guilty" and Officer King was called and gave evidence of the prisoner's intoxication and arrest. Burke was then asked if he had any questions to put to the witness. He replied that he had and then assumed the role of a cross-examiner, much to the amusement of those present. He took his stand in front of the witness box and looked menacingly up at the giant policeman, who eyed him very complacently, and thundred the following questions:

Q. Was I drunk when you captured me yesterday?

A. You were.

Q. Had I my coat off and was I looking for fight?

A. You had your coat on and was looking for fight.

Q. Was I carrying anything at the time?

A. Yes, a bundle.

Q. What was in that bundle? (here a good sized grin broke out all over the Irishman's face for he had the policeman stuck?)

A. I don't know what was in the bundle.

The prisoner then explained to the court that there was two pair of socks, a shirt and a pair of drawers in the bundle and resumed his questioning.

Q. Was I drunk when I bought those things?

Here His Honor informed him that those questions were not relevant and told him if he had any evidence to give to be sworn and give it. When sworn he said that he was not drunk when arrested, that he was most certain, for Mr. McManus told him he was not, and Mr. McManus would not tell a lie.

The outcome of it all was a fine of \$4 or five days in jail and the prisoner despatched a friend for the necessary dough.

### BOB CATS ARE KILLING DEER

#### The Government Should Be Urged to Place a Bounty on These Destructive Animals at Once.

During these days when the laws with regard to killing big game with a license are so strictly enforced it might be well worth while to call the attention of the government to the fact that many deer are killed each year by bob-cats, which infest the New Brunswick woods, and that no bounty is placed on them. One of these animals was but recently shot at Magaguadavic, and it is alleged by the most experienced guides that fully twenty times as many deer fall a prey each year to these animals as to the rifle. In winter especially are the deer destroyed in this manner, the bob-cats finding out where the herds of deer are located. In the fall also the deer is followed by the bob-cat into swamps and marshy places in the woods, and there destroyed.

Bounties have been placed by the government on many animals, and the bob-cat should be included in the list, if our supply of big game is to be kept in any way undiminished. No doubt many of these animals would be killed by the farmers and hunters were a bounty placed upon them—and thus more effective work would be done in the preserving of game than by the enforcing of license laws.

#### Professional.

Dr. A. Pierre Crochet, eye, ear, nose and throat specialist, of St. John, will be at the Queen Hotel Fredericton, Saturday of this week, where he may be consulted professionally.

#### Death of a Child

The death occurred at Gibson last evening after an illness of about seven weeks with cholera infantum, of Lillian Georgina Vivian, aged one year and nine months, daughter of Mr. George Vivian. The funeral will be held Saturday, the 29th, from the house at two o'clock, by Mr. Henry conducting the services. The funeral arrangements are in charge of Mr. John Adams.

#### Do Your Meals Fit?

#### Do You Feel Snug and Comfortable Around Your Waist Line After a Hearty Meal?

Did your last meal taste deliciously good to you, and did you eat all you wanted? Could you have patted your roundness in glee and felt proud of your appetite and of your good strong stomach? Do you feel rosy now because your last meal gave you no inconvenience whatever? If not, you have dyspepsia in some form, and probably never realized it. If you have the least trouble in your stomach after eating, no matter how little or how much you eat, there is trouble brewing and you must correct it at once.

Most all stomach troubles come from poor, weak, scanty gastric juice. That precious liquid which ought to turn our food into rich, red blood. If you have nausea, your gastric juice is weak. If you have sour eructations or belchings, your food is fermenting, your gastric juice is weak. If you have loss of appetite, your gastric juice is weak. If you have a bloated feeling of aversion to food, your gastric juice is weak.

Most men and women have their stomachs to supply the gastric juice which is scanty, and to give power to the weak gastric juice. Stuart's Dyspepsia Tablets do this very thing.

Now think—how grain of one of the ingredients of these wonderful little tablets digests 3,000 grains of food. They are several times more powerful than the gastric juice in a good, strong, powerful stomach. They actually digest your food for you. Besides, they increase the flow of gastric juice, just what you need to get all the good possible out of everything you eat. You will never have that "lump of lead" in your stomach nor any other stomach trouble after taking Stuart's Dyspepsia Tablets. They will give you strength, vim, energy and a rosy disposition. You'll feel good all around your waist line after every meal and it will make you feel good all over.

Stuart's Dyspepsia Tablets will make you feel happy after eating a good, hearty meal. Take one or two after eating. You'll feel fine—then your meals will fit, no matter what or when you eat.

We want to send you a sample package of Stuart's Dyspepsia Tablets free of charge, so you can test them yourself and be convinced. After you have tried the sample, you will be so satisfied that you will go to the nearest drug store and get a 50c. box.

Send us your name and address today and we will at once send you by mail a sample package free. Address P. A. Stuart Co., 52 Stuart Building, Marshall, Mich.
