Island. and is, we may say, of the utmost importance in the eyes of most of the brethren, een compelled to retire from the Min clerical and lay, within the bounds of the Conference.

The Supernumerary Fund committee met in the afternoon. During its sitting the Miramichi District was referred to by the Rev. Dr. Pickard in the most complimentary terms, on account of the increase in the subscriptions of the brethren in aid of the Supernumerary Fund, and its general satisfactory standing this year in relation to all the connexional funds of the Church.

The committee on Education also met numer ry, having by request of the Con-ference, although health not altogether in the afternoon. In the evening the Missionary committee held its first setrestored, consented to resume active ting. Several laymen were on this committee, the Miramichi District being represented by Mr. J. J. Anslow. A slight Newfoundland to this Conference and increase was exhibited in the contribu-Rev. W. W. Percival vice versa, to take
