

HIS LORDSHIP'S ROMANCE

And Miss Agatha Lyne, who had felt uncomfortable when Lord Hortington had paid open attention to her—

it? the poor girl asked herself; "would not a child have been wiser and more prudent?"

The crimson blood dyed her face when she remembered the dupe had been the grief and suspense, the sorrow she had felt for the man she now hated with so bitter a hatred—

AIRSHIPS FOR JAPAN. Rumor That Number Have Been Purchased in Paris. Paris, Jan. 12.—The rumor that Japan has acquired a number of French-built airships already, and has ordered half a dozen more for use in connection with the army and navy, had so persistent a character that the Japanese Embassy in Paris, in this connection I later called upon M. Juliot, chief engineer of the great aeronautic establishment of Messrs. Lebaudy at Moisson, and asked if he had received any order from the Japanese Government to build such airships.

TURKISH REVOLUTIONISTS. Are Planning to Overthrow the Sultan's Government. Paris, Jan. 11.—Representatives of the different peoples who are being oppressed by Turkey, including the Young Turks, Armenians, Greeks, Bulgarians and Albanians, Kurds, Jews, and Arabs, held a secret congress in this city to-day. It was unanimously decided to organize in common action to overthrow the present Turkish government and for the establishment of a liberal constitution and Parliamentary regime. The details of this revolutionary programme were not published. Armenians, Turks and Bulgarians in America were represented at the congress of delegates.

POLICE DOGS FOR PARIS. Kennel Established as Permanent Auxiliary to City Force. Paris, Jan. 12.—After a long series of trials, in which the dogs of many countries have participated, the Paris police have decided to establish a kennel of German sheep dogs as a permanent auxiliary to the local police force. During the trials held this week the German dogs especially showed remarkable intelligence in detecting and arresting imitation criminals, protecting their masters when attacked, and in finding perfect Legine details the dogs to accompany policemen who patrol lonely and dangerous beats.

WALL FELL ON FIREMEN. One Killed at Montreal and Two Seriously Injured. Montreal, Jan. 12.—As the result of a small fire in a narrow street, a wall fell on two firemen, one of whom is dead and two others seriously injured. Fire broke out in a small fancy goods store through an overheated stove. The store was on the ground floor of a ramshackle three-story brick building, and while fighting the flames part of the wall fell out, crushing Napoleon Gagnon, N. Narbonne and Y. Lamouche, firemen. Gagnon died on his way to the hospital, and the others are badly injured. The loss by fire was trifling, and apart from the falling wall the building was uninjured.

A ONE MAN SOCIETY. But the Men Who Stood in Awe of It Did Not Know That. James R. Bradwell, who recently died in Chicago, was an ardent Abolitionist at the time of the war. His most extraordinary exploit, as described in the Record-Herald, was the launching of an organization which he called the Home Defence Association, which, as a matter of fact, was composed of Mr. Bradwell as one member.
