onstitutional sovereign. Nationalists never reviled the Queen. The National League meeting announced to be held on Saturday at Killivanleu, Cork, was forbidden by proclamation. Two magistrates with numerous policemen prevented the people assembling. Some dis-order ensued. One of the magistrates

Shocking Treatment of a Child. At the Thames police court London, recent y, Ellen Davy, a young girl, was charged before Mr. Saunders with cruelly torturing vife of Barnet Joel, and the prisoner was a servant of mine. I have a child named

er in the fireplace, and again exclaimed "Oh! Ellen, Ellen, burn, poker." I told the prisoner I should take the child to the hospital and have further advice about the matter. She said, "I would not do such a thing; be fell on the ashbox." I then not iced the poker was hot, as if it had bee taken recently from the fire, and I said to her What did you burn the poor baby for? will be all the better if you tell the truth. "He was in my way. I did put She said. him on the ashpan, but I did not mean to hur

Thursday, the 13th of March, has bee appointed polling-day on the Temperance Aget in Oxford county. The Temperance Committee have called a convention for Tues lay, February 5th, to be held in the Woodstock Methodist church. A grand rally is

Tennesssee authorities are now enforcing what is known as the " four mile law." that , a law forbidding the sale of liquors within our miles of colleges, schools and certain other institutions of a like character. This law is virtual prohibition, for it is almost impossible to rlant a liquor shop anywhere in

four mile radius." The temperance party have a new difficulty to struggle with. At the Mayor's dinner in Kingston, which was conducted on temperance principles, it was found impossible to drink the water provided, on account of the presence in it of "pollywogs." As the guests did not relish this mode of serving the article,

Cardinal Manning is a practical man in nany respects, and moreover a strong believer n the principle that example should always enforce precept, in temperance as well as in Church work. His Eminence has lately, in carrying out this principle, issued an order that a branch of the Catholic Total Abstinence League of the Cross be founded in every Catholic school, and that the manager at every school must be president and an abstainer, He has worked an extraordinary change among the Irish of Westminster, who

fulfilling its dates, and eventually drove him into bankruptcy. been a blank to him.

A Key West despatch says Col. Aguero, a Cuban insurrectionist, was arrested there or Saturday as a bandit. The arrest cause much excitement among Cubans in New York. The Cubans in Key West held a mass meeting recently and prepared an address to the American people protesting against the

arrest of Carlos Aguerov Theodore Van Alin, of Syracuse, N. Y. celebrated his one hundred and fourth birth day on Saturday. He claims to be the oldest Democratic voter in the State. Ma Van Alin's father was accidentally killed at one hundred and five years of age; his grand-father lived to be one hundred and twelve, and a brother of the latter was one hundred and fifteen years old when he died.

from Montreal after victimizing banks there | death, admits that he threw naphtha on and in the United States by means of forged bills of lading, and who was subsequently captured in San Francisco and taken to Boston, was recently sentenced to eight years' imprisonment. His partial restitution of his ill-gotten gains doubtless prevented his receiving a heavier sentence. A curious law suit is now awaiting trial in

New York. Some ten months ago Miss Annie Pettit, a young girl of unusually large proportions, was engaged by a dime museum manager to exhibit herself as "the largest young lady in the world." Miss Pettit was iven to understand that her position was a life one, and it probably would have been hadn't nature interfered and reduced her size so much that she was no longer a curisity. The management promptly discharged ner, and she now sues for reinstatement. Mrs. Lucretia Neeley, of Jeffersonville

Ind., a lady prominent in charitable and social circles, was taken very suddenly ill on Thursday night last, and in two hours was pronounced dead. Heart disease, hastened acute asthma, was assigned as the cause. count of the suddenness of her death, the funeral was postponed until Monday morning. The undertaker was about to re-place the lid on the coffin, when a glance at the corpse caused him to draw back with an exclamation. The friends were summoned. and, after a hasty consultation around the coffin, the preacher said: "My friends, the function as it is thought she is still alive. The audience is dismissed." The undertaker savethatas he was about to close the lid of the offin he noticed a flush on the cheeks of the corpse, and saw a movement of the body as of a person in a desperate struggle for

WINCHESTER, Va., Jan. 26.-Elizabeth Rebecca Payne, daughter of the late Joseph Payne, who lived seven miles from here, and for thirty-eight years has appeared as a woman, avowed herself to be a man a few days ago, and yesterday was married to Miss Hinton at Martensburg. A surgical operation was recently performed on Payne which

The burial has been postponed indefinitely.

and every effort will be made to bring Mrs.

Neeley out of her supposed trance.

brought about the above result. Living Together as Man and Wife on Written Contract.

MUNCIE, Ind., Jan. 25 .- Seth Whitten, prominent lawyer, drew up a marriage con-tract which he and Maud McArthur signed and then lived together as man and wife. There were no witnesses to the signing of the contract. Whitten was arrested at the instance of the citizens, and on his trial he ably defended himself. The court, in charging the jury, said if they found that both or either of the parties entered into the contract in good faith a verdict should be given for deendant. The jury were out all night, and

finally disagreed. A Domestic Tragedy.

CHICAGO, Jan. 26. - An Elgin despatch conrms the report of a tragedy near there. Mrs. Combs staggered to the house of a neighbour covered with blood flowing from eep gashes, and with a long knife in her and. She said her husband tried to murder ner, and thinking he had done so, cut his own throat. Combs was found dead in the house, which showed evidence of a fearful struggle. The woman was alive at last ac-counts. She was Combs' third wife, and was onsidered an adventuress before her mar

riage. There is a suspicion that she may have murdered her husband and received her younds in the struggle.

Strange Reticence of a Doctor. CHICAGO, Jan. 24.—Dr. Temple S. Hoyne found the body of a friend on the dissecting although he has continued to attend the family ever since never disclosed the facts Meantime the family of the deceased have continued to pay the insurance premiums on olicy of \$20,000, on the supposition that he nay be stillalive. Hoyne says the deceased was addicted to drink, and probably died on the strees from exposure. In explanation of his conducthe says he was shocked on discovering the body, and intended informing the family,

but as the boys needed a subject he let then go along with their work. The Anti-Polygamy Bill, The Anti-polygamy bill reported by Sen-ator Hoar provides that in any prosecution for bigamy, polygamy, or unlawful co habitation under any statute of the United States the lawful husband or wife of the ac used shall be a competent witness, and may be called and compelled to testify. A pros oution for bigamy, polygamy, or unlawful cohabitation may be commenced any time within five years after commission of the offence. This provision does not apply to offences barred by the statute of limitations. One of the sections provides for certification f marriages in the territories and prescribe penalties for its violation. The records of marriages or of anything in the nature of

ceremony shall be subject to inspection at all reasonable times by proper officers The Irish "Emergency Fund." CINCINNATI, Jan. 24.—The Commercia Fazette will publish to-morrow an open letter from John Byrne, vice-president of the Irish National League of America, to Patrick Ford, editor of the Irish World, taking strong exceptions to Ford's call for "an emergency fund," to be subject to his judgment alon with no accountability, for the purpose waging war with England. Byrne claims that such a course as this fund implies would be regarded by all civilized nations as guerilla sariare, revolting to the belligerent uses he age, and they would be bound from self interest to assist England in crushing it. He protests against allowing Ford and Rossa and that class to fix the standard by which 95 per cent, of Irishmen and Irish politics shall be measured. Byrne closes by saying he be ieves he can rely on the majority of the Irish lement in America, including the business and professional classes, to support this

HICKSVILLE, L.I., Jan. 25 .- At half-pas ix this morning Selah Sprague, a well-to-do armer at East Meadow, went to the barn to seed his horses. He had just reached the barn when a tall mulatto attacked him with fishplate used for coupling railroad tracks. and after striking him several murderous blows on the head left him for dead and nade his way to the house. Upon entering ie saw Mrs. Sprague in the kitchen, and struck one blow at her and demanded her noney. She told him to get it out of drawer and then ran screaming from the house. Before she had gone far the man overtook her and passed her, soon getting out of sight. The neighbours hurried to the spot lying in a pool of blood near the barn. The country was scoured, but the miscreant was not found. Great excitement prevails. Sprague and his wife are about 50 age and amongst the most respected residents of the country. There is no hope of Sprague's

LATER. -The mulatto has been arrested.

DETROIT, Jan. 28th.—At 3 o'clock Saturday morning Charles Reschka, fireman at the Mutual Gas Company's works at Hamtramck was seen to rush from the engine-room en veloped in flames and throw himself in the Some men employed around the works ran to his assistance and extinguished

Reschka, but only in fun. Reschka tossed an old shoe over at him. He seized a dipper, scooped up about a pint of the fluid without knowing its inflammable nature, and threw it back over the boiler in the direction where at the time, but an instant later heard him scream. The police decline to arrest Heints man on the ground that the affair is not the total invision and the shariff man

portion towards it. American Methodism, from which Canadian Methodism is an offshoot, will be 100 years old in December next. Some idea of its remarkable growth may be had by the following figures, gleaned from the minutes of the annual conferences of 1882:—Number of bishops. 11: number of itinerant preachers, 11,022; number of preachers on trial, 1,337; number of local preachers, 11,967; number of members in full connection, 1,572,177; number of probationers, 175.841; whole number of churches, 18,152 value of the same, \$65,467,082; number of parsonages, 6,224; number of Sunday schools, 20,901, with 224,667 scholars; mount of benevolent contributions :- For

amount of benevolent contributions:—For conference claimants, \$167,693; for the Missienary Society, \$624,186; for the Woman's Foreign Missienary Society, \$107,673; for the standard Society, \$107,673; for the Sunday School Union, \$15,360; for the Freedmen's Aid Society, \$56,808; for the Educational fund, \$49,039; for the American Bible Society,

Charges by a Pastor Against the Elder of a Church. Woodstock, Jan. 25 .- The Presbytery of Paris continued in session from 1 p. m Thursday to 7 a.m. on Friday, when the vote was taken. The motion, by Rev. D. D. Mc-Leod, seconded by Rev. F. R. Beattie, was as

the case of the charges preferred by Rev. W, A. McKay against Mr. Alex. Watson, finds that though some of the details under the general charge of exhibiting a temper and conduct inconsistent with his sacred office have not been established, yet at the same time the Presbytery finds that from the evidence adduced, and taking into account all the circumstances of the case, the conduct f Mr. Watson has been such that his longer continuance in the eldership in the congrega ion of Chalmers Church is not conducive to the best interests of the congregation, and the work of the pastor in particular. Therefore the Presbytery deem it necessary to remove Mr. Watson from the office of the eldership, and from any other offices he may hold in said congregation, and the Presbytery decides accordingly."

It was moved in amendment by Dr. Coch-RANE and duly seconded, "That the motion be amended by striking out the words which which Mr. Watson has sustained for some time past to the pastor and many members of the congregation of Chalmers church is not cive to the best interests of gregation, strongly recommend Mr. Watson to resign his eldership and withdraw from the membership of Chalmers church." Eleven voted for the amendment of Dr. Cochrane and five for the motion of Mr. Mc eod. The amendment was declared carried The parties acquiesced in the decision, and Mr. Watson handed in his resignation accord-
