Bulletin News Service.  
The Alberta sunshine is certainly working overtime. There was a little variety today, however, when just as Calgary's good people were acting out the "25" part of their play, a rain storm blew up. The clouds lifted in a short time, however, and the Italian type of weather was resumed.

Contractor Brockway is rushing construction on the fire hall and from appearances the finishing touches will be made in about two weeks. This structure, when completed, will be one of the most up-to-date buildings of the kind in Alberta.

Olds 10,000 club had little time to prepare a reception for the excursionists if the Calgary 100,000 club had but managed to entertain the visitors just the same. The train was met by a reception committee large enough to decorate all the callers with badges reading "100,000 welcomes from Olds to Calgary." At the same time the Olds brass band was doing its part punctuating the surrounding ozone. The Calgarians followed the band in procession to the Opera house, where the Olds orchestra was producing harmony. Before this musical treat closed the visitors were all seated and demanded an encore. The rendition of this as equally well received. Then Mayor Craig stepped forward at this juncture and with great aplomb offered a short address of welcome, covering the progress of Calgary and Olds since he settled here, closing by telling a story about the lantern hen and the ostrich egg. President R. J. Hutchings, of the Calgary 100,000 club, Mr. Webster, secretary of the same publicity organization, and Mayor Cameron, of Calgary, gave bright addresses. At the close of this splendid praisings for Olds in such a splendid reception. Mr. Moran, ex-mayor of Belleville, Ont., was then called upon. At the close of this speech, the audience was treated to a catchy duet by solo and chorus by the Olds male quartette, and then to a vocal solo with great applause, after which all joined heartily in singing the National Anthem. As if a part of the programme, the winds across and the large banner across the street reading "Olds 10,000 club welcomes you," near town square, and the fact that it had served its purpose. There were good jokes on Major Craig and Mayor Cameron. They must have been very taking of the same nectar. Mayor Craig welcomed the "10,000 club of Calgary," and Mayor Cameron praised the "100,000 club of Olds," October 30.

**VEGREVILLE.**  
Bulletin News Service.  
The Vegreville branch of the Alberta Farmers' Association met in the council chamber last Saturday and had a spirited and roving meeting. The first thing to be taken up was the market conditions in Vegreville, which, with the exception of the prices of live stock, were considered satisfactory. They deem the prices for too low and have decided to raise in the States buying cattle at a higher price than he is paying here.

Swift & Co. are in the market, but they don't seem to raise the price. The next question was the school question. The president, Mr. J. Stanton, wanted a school in his district. He could not afford to pay for the keep of his children in town. Gascoine and Messrs. E. Wilson, P. Piriham and Robert Fairbairn, of Warvick, took the floor. Rev. Mr. Card was the most eloquent and forcible speaker on the subject. A committee was formed to draft a statement for the approval of the central executive of the association. The next meeting is to be held on November 2nd, and all members are asked to be present.

Nel Dunham's oat crop averaged 38 bushels an acre on 25 acres he threshed 1,500 bushels of fine seed grain. Benoit Tetreau threshed 4,000 bushels of oats. The Vegreville district can certainly raise good crops in any kind of a year.  
The Vegreville Euchre Club held a very successful ball at the new hall over the Observer office on Tuesday night.  
A wrestling match is billed for Saturday night in the same hall between C. Sette, of Edmonton, and Carl Brown. The match is catch as catch can, the best two out of three falls. Vegreville, October 28.

On Saturday, the 26th inst., a football match took place between teams representing Lac Ste. Anne and White Lake football clubs. As was anticipated a good match ensued. From the start Lac Ste. Anne pressed and won the match from the foot of the old Scottish international centre forward, A. Macconic. Following this some clever mid-field work from Lac Ste. Anne, and from Barker, Coates, and the Lac Ste. Anne outside right, broke away and after a grand clearance by White Lake, Mrs. Brinenhall (China Lady), best comic gentleman, E. Schiebel (Robin Crusoe).

Special music was rendered, Mr. Jackson, singing a solo in a very pleasing manner. A large congregation was in attendance, the collection being taken for the aged and infirm fund and for the widows and orphans' fund.

**DEATH OF JAMES AUTEN.**  
The death of Mr. James T. Auten, of Ponoka, occurred yesterday morning at the Sanatorium on Third Street, after a long illness. He was ill for the past three weeks, and was brought to the city on Saturday last by the late Mr. Auten. He was a native of Nebraska State, moving to Edmonton four years ago, where the family resided on Sixth Street, in the spring, when he moved to Ponoka. The sympathy of the many friends was shown during their stay in Edmonton. The funeral will take place tomorrow afternoon at two o'clock from the mortuary of Moffat & McCoppen to Edmonton cemetery.

**YESTERDAY'S PAPER CHASE.**  
The mounted paper chase held Thanksgiving afternoon was an event keenly enjoyed by some fifty ladies and gentlemen. The course was laid along "Lovers Lane" through the city, and the most of the trail and the Morinville track. The most interesting feature of the ride was the finish where so many of the riders grew discouraged at losing the trail. Many amusing incidents occurred during the run. Hair combs and pins were at a premium before the chase was over. Some riders on small horses were jealously instructed to get off and push their mounts up Capitol Hill, and one rider got stuck in a ditch and couldn't get out.  
Among the many riders were Miss Blahop, Miss Seton Thompson, Mrs. Lane, Mrs. Jamison, Mrs. Spawen, Mrs. Pearce, Mrs. J. H. Morris, Miss Beatrice Saunders, Miss P. Matheson, Miss E. Taylor, Mrs. Twyford, Mrs. J. O'Neil, Mrs. Hayes, Messrs. Debe, Barry, Lange, Jamieson, Spawen, Forson, A. ## CALGARY'S 100,000 CLUB HERE.

An imposing contingent of the 100,000 club of Calgary, visited Edmonton and Strathcona yesterday. The club left Calgary on Wednesday. The plan was to visit all the towns on the way north as far as Red Deer, and on the return trip to take in the places between the Capital and Red Deer. The club's special train arrived in Strathcona about 10.30 Wednesday evening. Some left the train and registered in Strathcona, while others came on to Edmonton. A drizzling rain was falling and some doubts were entertained as to whether it fair day was forthcoming on Thursday. But the weather man was good and the club spent an enjoyable day here, visiting the places of interest, with Edmonton citizens who did everything possible to accommodate the visitors. Automobiles, surreys and in fact conveyances of every description were at the disposal of the club and while some were touring the city, others were being taken to see Damon and Pythias. In the afternoon a large body paid a visit to the start of the paper chase and in the evening a large party left this morning on their way home.
