"Fruit-a-tives" Completely Cured The Eczema

GRANDE LIGNE, QUE., Jan. and, 1910 "My wife was troubled for three years with Eczema on the hands which made her hands almost useless. The doctor gave her several ointments to use, none of which had any effect. He also advised her to wear rubber gloves (she wore out three pairs). I persuaded her, as a last resort, to try "Fruit-a-tives". The effect was marvellous. Her hands are now cured. We both attribute our present health to "Fruit-a-tives." N. JOUBERT.

Eczema, Rash, Pimples, Itching and Burning Skin are always caused by impure blood--due to chronic constipation, digestion or some weakness with the kidneys. "'Fruit-a-tives'' is a positive cure for all Skin Troubles. It is the greatest blood purifying medicine in the world —and is the only remedy made of fruit
