

Ice Sports for Charity.

AN UNQUALIFIED SUCCESS.

A large attendance, close contests and much enthusiasm combined to make last night's Charity Ice Sports, at the Prince's Rink, the unqualified success that they were. Over sixteen hundred people were present, including His Excellency the Governor, who was accompanied by Lady Davidson and Miss Davidson.

At 8 o'clock, the time appointed for the first event to start, standing room was at a premium. Every available place around the boards was occupied while the reserve seats were also well filled.

BOYS' RACE.

The first item on the programme was a one mile race for boys under 16 years of age. Nine competitors faced the starter. Kavanagh came first in 3 mins. 51 1-5 secs.; Squires, 2nd.; Hallett, 3rd.

ALL-COMERS' RACE.

This was an exciting event. The distance was one mile or 13 laps. Five young men entered, namely, Squires, Woods, Hackett, Evans and Farrell. They got away in this order but after one lap the latter fell and later on, seeing that his chances were hopeless, stopped. Each of the others took the lead in turn. When the bell rang for the last three rounds Squires made a splendid start and breasted the tape first in 3 mins. 26 3-5 secs.; Hackett, 2nd.; Woods, 3rd.

LADIES' HOCKEY.

Next came the ladies' hockey match between the Kewpies and Billikins. The time limit was twenty minutes, ten minutes each way. The result was a draw. The exhibition was creditable and aroused great enthusiasm, and the stick handling of Miss Crowley for the Billikins, and Miss Sotry, of the Kewpies, would do credit to some League players. The result was one goal each, scored by Misses Storey and Reid. Mr. Gus Herder was referee.

COLLEGE HOCKEY.

Undoubtedly the fastest and best bit of hockey that has been seen at the rink for several years was then served out to the spectators by the Inter-Collegiate players. The opposing teams were the Collegians vs. the St. Bon's and Felidians. The former won by two goals to nil. R. Stick doing the trick on each occasion, after some clever work.

LEAGUE HOCKEY.

The final event was none the less interesting between the City and Felidians, this season's champions. The City scored first through Higgins, followed by Payne equalizing. Lilly notched up No. 2 and Payne again evened the tally. In quick succession Payne notched up two more goals; Munn then sent in the 5th goal and Payne the 6th for the Felidians. To-bih scoring the 3rd for the city.

General skating followed up to 11 o'clock, while the ladies served teas.

During the evening the C. C. C. band, under Capt. Bulley, rendered delightful airs, principally patriotic. The amount of proceeds is not yet exactly known, but we understand, are in the region of \$350, which will be divided equally amongst the Doves and St. Vincent de Paul Societies and Salvation Army for the relief of the city poor.

To Mr. Arthur Bulley, the main promoter; and to the Committee generally; also to the prize donors, Messrs. T. J. Duley, F. Martin, F. W. Ayre and P. Johnson, the success of the event is due in a large measure.

Our Volunteers.

Nine volunteers enlisted with the Second Contingent yesterday, making a total of 1,255 enrolled to date. The names of those who enlisted yesterday were:

Alan Young, Twillingate.
Rd. Ryan, Melrose, T.B.
Rd. Eldridge, Newtown, B.B.
Chas. Leary, Brigus, C.B.
David F. Cooper, St. John's.
Harry Carnell, St. John's.
Leo F. Delaney, St. John's.
Ed. J. Wakeham, St. John's.
Rd. Kinsella, Ferryland.

There are now 363 men under drill, of whom 250 will form No. 4 Company. The remaining 113 will stay here until the force is raised to 300 to form the reserve force of the first Nfld. Regiment. Some of the men had rifle practice at the Southside Range yesterday and made very creditable scores. On Friday next one of the quick firing guns will be taken to the Southside for practice in firing at different ranges.

RIZZIO murdered 1566. The Italian Secretary of Mary, Queen of Scots and an accomplished musician. Suspected of too great attachment to Mary, he was murdered by Darnley and his friends in the Queen's presence in the Palace of Holyrood. He was 26 years old.

COBBETT born 1762. A politician and controversialist who through the medium of his "Political Register," attacked both Radical and Tory in turn, and by merciless personalities frequently got himself into trouble. In 1832 he entered Parliament as member for Oldham, and by his trenchant speeches and writings always kept himself full in the public eye. His best known work is his "Advice to Young Men."

The devil knew not what he did, when he made man politic.

Great Alterations at Rossley's.

The West End Theatre crowded at every performance. Another new shipment of films will arrive in a day or two and they will eclipse any ever seen here. Before the Rossley Star Theatre is going, a complete alteration will be made and will be very fine when finished; they will have to work hard to have it finished for Easter. On St. Patrick's Day there will be splendid Irish comedy, written entirely by Mrs. Rossley, and we feel sure will be all right. All she ever wrote before was her pantomime work and proved that the new songs and dances and costumes are elegant, and nowhere could we find a better entertainment than at the old Reliable, Show Shop.

Ladies' House or Home Dress (with Sleeve in Either of two Lengths) and with Skirt in Raised or Normal Waistline.

White linens were employed for this model, with trimming of striped rattice. The design would be pretty in rose colored gingham, or blue seersucker. It is suitable for all wash fabrics, and lovely for lawn and batiste, for cashmere, voile and poplin. A neat and becoming business suit could be developed after this pattern in serge of a pretty Burgundy shade, or the new brown or Russian green, with braid binding or silk or woollen of contrasting material for trimming. The right front of the waist is crossed over the left in surplice style, and the low neck opening is filled in with a "dickey" or insert. This of net, tucking or embroidery would be very neat and cool looking. A new round collar and simple cuffs finish the smart waist. The skirt is gored and cut on new lines, with ample width at the foot. It may be finished in raised or normal waistline. The pattern is cut in 6 sizes: 34, 36, 38, 40, 42 and 44 inches bust measure.
