

Trouble in the Orient.

U. S. Marines Assault Japanese Consulate---Criticism in Canadian Commons---Bolsheviks Boast of Captured Territory---Sir Edgar Bowring on Newfoundland.

SIR EDGAR BOWRING LUNCHEON.
LONDON, March 14. (Via Reuters' Ottawa Agency.)—The hope that Great Britain would have her hand over her maritime rights under the League of Nations, was expressed by Sir Edgar Bowring, Newfoundland High Commissioner, at a luncheon tendered him by the British Empire League. The Commissioner said on Britain's invaluable services in the war and referred to the work done by the men of the Newfoundland Contingent, men whose quality was unexcelled. He stated that the Newfoundland Government was arranging to settle returned soldiers on the land and emphasized the importance of an improved Atlantic service and cheaper rates. He said that the development of Newfoundland was proceeding rapidly, especially in water power electricity. The old time methods in the fishing industry were being replaced by more modern methods which would have an enormous effect on it. The policy of Newfoundland, said the Commissioner, was "back to the sea." Instead of "back to the land," and in this connection development of fish, transport and cold storage was of the utmost importance.

JAPS AND U. S. MARINES CLASH.
PEKING, March 14. (By the A.P.)—American marines have raided the Japanese concession at Tien Tsing forcing their way into the Japanese Consulate and assaulting the Consul, according to despatches received here. The trouble is said to have been caused by the rough treatment given American soldiers who became disorderly in the Japanese quarters of the city. Japanese soldiers drove out the Americans with fixed bayonets, it is said, wounding two of them quite seriously. The next day two hundred angry marines, who were on duty, paraded through the Japanese concession and it is alleged they attacked every Japanese encountered. When the marines reached the Consulate they forcibly entered, it is reported, and assaulted the Consul, whose injuries are understood to be serious. The Consul's body is deliberating on measures to be taken to restore normal conditions. It is said that feeling is running high in Tien Tsing.

BOLSHEVIK BOAST.
LONDON, March 14. The Bolshevik general staff at Moscow claims that during January and February the Bolshevik army occupied territory the size of France, having 1,055 miles of railroad under its control, and declares that the Soviet troops will reach Archangel by May 1st, according to a Helsingfors despatch to the Mail.

INSURRECTION AT AN END.
BASEL, Switzerland, Mar. 14. The Berlin insurrection may be considered as suppressed, Gustave Noske, the Minister of Defence, announced in the National Assembly at Weimar to-day. Only one suburb remained to be cleared of the Spartacans, the Minister stated.

GERMAN DELEGATION.
WEIMAR, March 14. (A.P.)—All the German delegates to the Peace Conference will be on an equal footing, although Count Von Brockdorff Rantau, the Foreign Minister, will be their leader. The party will not have the power to make final decisions, that is vested in the Cabinet. It will be accompanied to the conference by a large, although as yet undetermined group of experts, clerks and secretaries.

MUST BE REVISED.
BRUSSELS, March 12. Premier Delacroix announced in the Chamber of Deputies to-day that the Supreme Council of the Peace Conference had decided the treaty of April 19, 1919, between Belgium and Holland, must be revised.

ARBITRATION REFUSED.
BUENOS AIRES, March 14. Members of the Argentine Cabinet who have been endeavoring to settle the strike of port workers here, announced to-day that their efforts had failed, as both sides had refused the proffered arbitration.

STRONG CRITICISM.
OTTAWA, March 14. In reply in the House of Commons to-day to the charges of Sir Sam Hughes in reference to Sir Arthur Currie, Lieut.-Col. Peck, V.C., M.P. for Skeena, B.C., strongly criticized Sir Charles Ferguson, Military Governor of Cologne, who, he said, had put the Canadians out of bounds in a message that was insulting. Ferguson, he said, was married to a woman of Cologne, and this might account for his sympathies for the people of that

city. He was the officer who gave up Monchy, said Colonel Peck, which was retaken by the Canadians.

SPARTACANS STILL HOLDING ON.
LONDON, March 14. Spartan forces still retain part of the Berlin suburbs of Lichtenberg and are stubbornly resisting the Government forces, an Exchange Telegraph despatch from Copenhagen says. Fighting is continuing in Lichtenberg, and also in the Karlshorst district. Numerous persons have been killed and wounded in the fighting and many buildings have been destroyed by the bombs. The despatches say that only a few messages are reaching Copenhagen from Berlin and that these are delayed.

U.S. OFFICER FOR COURT MARTIAL.
LONDON, March 14. The investigation of the stories of the remarkable air exploits of Capt. Edmund M. Chamberlain, of San Antonio, Texas, an officer of the United States Marine Corps, which has been in progress in Paris for several weeks, has developed to an extent that the American naval authorities consider a court martial necessary. The court martial, it is announced, will investigate chiefly whether Captain Chamberlain's recommendations were all forgotten and whether there was any truth whatever in his story of destroying an extraordinary number of machines in a short time.

This Young Farmer Is Enthusiastic

In the Good Health Brought by Dodd's Kidney Pills.

Frank Corrigan Suffered From Sore Back For Two Years, But One Box of Dodd's Kidney Pills Chased Away All His Troubles.

Island Brook, Que., Mar. 14th. (Special)—Mr. Frank Corrigan a well-known young farmer living near here is spreading the good news that his sore back, from which he suffered for two years, has vanished, almost miraculously, before a short treatment of Dodd's Kidney Pills.

"Yes, I am completely cured," Mr. Corrigan says with enthusiasm, "and Dodd's Kidney Pills did it."

"My troubles started from a strain and I suffered for two years. My back ached, my sleep was broken and unrefreshing, and I felt heavy and sleepy after meals. I perspired freely with the least exertion, I was depressed and low spirited, and I was troubled with pressure and sharp pain on the top of my head."

"I tried the doctor without getting lasting relief, but one box of Dodd's Kidney Pills cured me completely."

Dodd's Kidney Pills gave such prompt and sure relief because all of Mr. Corrigan's troubles came from eddy pure and simple. They have a long record of kidney cures. Ask your neighbors about Dodd's Kidney Pills.
