The Motor Boat "Poineer,"

(in St. John's Harbor)

IS FITTED WITH

Kitchen's Reverse and Control Gear.

Messrs. Elder Dempster are standardizing on Kitchen's control for their towing unches on the West Coast of Africa. Prior to the adoption of Kitchen's Patent, continual difficulty was experienced. Owing to the lack of care and skill on the part of the native engineers, the wear and tear on the engine and reverse gear was excessive. Kitchen's Control has entirely solved this.
