Eats Anything On the Table And Feels Fine.

Marley Says He Is Well Man For First Time In Nine Years—Tanlac Gave Him Entire Relief From Stubborn Stomach Trouble.

"I am a well man for the first time in nine years and it is all due to Tanlac," said Sandy Marley, Sydney River, Sydney, N.S.
"My stomach was badly out of order and I was in a poor state of health all the time. My appetite left me, my digestion was poor and I suffered terribly from constipation. Gas would form on my stomach and bloated me up until I could hardly get my breath and often I would have to stop work for hours at a time. I had severe headaches, felt tired and worn out all the time and began to think I would have to stop work."
"So many people I knew had been helped by Tanlac I decided to try it. I began to feel better almost at once. Now I feel just fine. I have a good appetite, eat just anything and that does me good. I feel just completely gone. I am glad to tell others what a grand medicine Tanlac is."
Tanlac is sold by all good druggists.

Vapo-Cresolene

A Vapor Treatment for Coughs and Colds, easy to use and effective.
You just light the little lamp that vaporizes the Cresolene and place it near the bed at night. The soothing antiseptic vapor makes breathing easy, relieves the cough, eases the sore throat and congestion, and protects in epidemic. Recommended for Whooping Cough, Spasmodic Croup, Asthma, Bronchitis, Hay Fever, and Measles. Vapo-Cresolene has been used for the past 40 years. The benefit is unquestionable. Send for descriptive booklet.

Household Notes.

Broken glass should be wiped up with a wet wool rag, which can be wrapped in paper and thrown away.
When preparing cucumbers for pickling, do not soak them in water. If the dogs upset your garbage can, fasten a hook in a post in the back yard and hang it out of their reach.
Green peas and carrots are delicious served with spaghetti, to which a little grated cheese has been added.
A little shaving cream will make the wringer turn more easily, and will not drip and put dark spots on the clothes.
To test cantaloupes for ripeness, press the end firmly with fingers, and if it yields easily the melon is usually ripe.
Small pieces of melon pulp are excellent marinated in French dressing and served on crisp salad. Serve very cold.
If water is left on vegetables after they are cooked, they will become soggy and unpalatable. Drain them immediately.
An excellent lap-board to use when mending undergarments is a magazine. It can be curved and adjusted at will.
If you have to handle butter, first rinse your hands in hot water, and then chill them. The butter will not stick to hands.
If mayonnaises curdles, put a drop of ice-cold water in a very cold bowl and beat the mixture slowly into it, little by little.

Gibsol Universal Antiseptic Ointment, Made in Ireland.

One would gather from all that is being written on the art of advertising that it is only necessary to advertise extensively to sell almost any quantity of any commodity. But it is enduring quality alone that will stand the test of time. As a long-dead wiseacre had it "You may fool some of the people sometimes, but you'll never fool all the people all the time."

Though we have given our Ointment due publicity in all the countries into which we have introduced it, we find that our best advertisement is the testimony of those who have used it to those who need it. Merit alone has carried it to the great portion of fine continents. English, Scotch, Dutch, German, French, Portuguese, Russian, Spanish, all use it and are glad to use it. Irishmen swear by it.

Medical men all through the world use it and recommend it.

It bears the Irish Trade Mark, the guarantee not of an individual or a firm, but of a nation.

Gives immediate and permanent relief in all cases and classes of skin trouble.

Don't take any chances with cuts, &c. Use Gibsol. It cleans the wound and prevents blood poisoning.

Unexcelled for stings, fly-bites and sunburn; Gibsol removes the irritation, replaces the skin, and gives the whole a smooth, cool appearance.

HARVEY & CO., Ltd.

It's Flavor that Makes the Meal!

And the sauces that the Libby chefs have adapted for you give flavor to the simplest dishes.

It may be eggs, or macaroni, or a cheap cut of meat—an unusual and delicious sauce will make it something you eat with delight and remember with pleasure—because of its flavor.

LIBBY'S CATCHUP and CHILI SAUCE are made from red, ripe tomatoes, grown in the fertile soil of Kent County, Ontario, picked when they are mellowed by the sunshine of long summer days, then rushed to the nearby Libby kitchen.

Here in sunny rooms the tomatoes are cooked with fragrant spices, onions, sugar and the best vinegar—cooked for hours until all the flavors are blended through and through.

Now the sauce is ready to give an appetizing relish to your steaks and chops, or a new piquancy to the meat gravy you serve with your roasts.

Your grocer has, or can get you, Libby's Catchup or Chili Sauce. Use it with your cold meat teas and note how quickly the second helping is necessary.

The delightful flavor of Libby's Beans is due largely to the wonderful Sauce prepared by the skilled chefs. Have you tried them?
