ANOTHER FREAK FOR U.S.
NEW YORK, Dec. 1.
Sergei Michailowitch, known as Iladore, the mad monk of Russia, and before the revolution Abbot of Tlatryn, and a prominent figure in Russian church politics, arrived yesterday on the Lithuanian. Iladore was exiled from Russia by Czar Nicholas and unfrocked by the Holy Synod of the Russian Orthodox Church after disobeying the orders of the church for eleven years. He said he came to this country to become a citizen and a minister among Russian Baptists. He was allowed to land after a close inspection by immigration agents.

Cowan of Chicago, Vice-President of the Portland Cement Co., completed a thirty-five thousand mile around the world trip yesterday, having set out from Miami on September, 1921, and circled the globe. It is said to be the smallest boat that ever accomplished this trip.

Laurie Jackson's Running Record.

COMES TO NEWFOUNDLAND WELL RECOMMENDED.

The fleet footed Canadian runner, in the person of Laurie Jackson, who caused quite a sensation in running circles on Oct. 15th last, for the Halifax Herald and Evening Mail Trophy is at present staying at the Crobie Hotel, having arrived from Halifax yesterday by S.S. Silvia, accompanied by his brother Stanton, an all round athlete, who comes as his trainer.

Yesterday afternoon many of our sporting enthusiasts made a call on the young athlete and heartily welcomed them to the city. Laurie, the runner, was born in Parrsboro, N.S., twenty-five years ago. He is 5 ft. 6 in. in height and weighs but 130 lbs. Although he suffered somewhat from sea sickness on the trip from Halifax, he feels nothing the worse after his unpleasant trip, and after a good night's rest he is bent on having a trial spin over the course at the rink to-day. Jackson is in excellent shape, and by his appearance looks as though he had undergone rigorous training, because it was only last week that he won the Dunlop Trophy from a large field of starters at Truro, N.S. Jackson first started his running career while overseas with the Canadian Forces. On two occasions he made 3rd position in the one mile events at the Canadian Sports Championship, held at London, Eng., and Seaport, Sussex. Having won several well known cracks from Upper Canada. Before his return home in 1919, he ran second to McAulay in a one mile race, and during the same year went to Charlottetown to compete in the Olympic trials, finishing second in the 1/2 and 1 mile. Jackson defeated several well known runners who at present hold championships in the Lower Provinces, viz: Bill Mooney, the 1/2 mile champion, who is now at Pennsylvania University, and Barney Francis who defeated Lapierre only a few months ago. He did not take a liking to the long distance running game up to 1921, having always specialized in short distance running. The first 10 mile race that he ever attempted was in the fall of 1921, when he ran under the Imperial Colors, and although he only found 10 position, he made a most sensational finish. Bell who took part in the same race, came second. During the early part of this year Jackson had settled down to hard training with his team mate Al. Rodgers, who was twice winner of the Halifax Cup. His first real test of the year was when he started in the one mile event at the Wanderers' track in July last when Grant Holmes won out by 20 feet in 4 min. 39 sec. Jackson's time was 4.41 having defeated McAulay, who finished 3rd in a hair raising finish. On Aug. 4th last, he won the 6 mile race at Dartmouth, the second man, Hanson, being 1/4 mile behind. Two days later on the opening of the Dartmouth Track he won a beautiful silver cup for the five mile race, and on the same afternoon ran second to Holmes in the mile. The six mile road race under the auspices of the D. B. C. A. held at Dartmouth on Thanksgiving Day, was won by A. Hanson, Jackson, who led the race up to 4 1/2 miles of the course, gave away his position. Suffering from a cold was due to his defeat, but he pluckily held on and finished in 4th place. He, however, redeemed himself in the Halifax Road Race held on Oct. 15th last, when he ran the race of his career, which was his second attempt over the 10 mile route, having finished second to the fleet footed Windsorian runner McAulay, and was but 25 seconds behind the winners previous lifetime record, having covered the course in the good time of 56 min. and 7 sec., which was a surprise, not alone to the sports enthusiasts of the Maritime Provinces, but to himself. Had Jackson set out at a much faster clip from the outset, he would very probably have overcome McAulay's lead, as his time over the last half of the course was quicker than the winners, while he was faster by 2 min. and 26 sec. over Belts performance of the previous year, and he bettered Belts local record by 33 seconds which was established by our local champ before he left for Halifax in the same year. Stanton Jackson, the trainer, is well known as

an all round athlete in Canada, having figured only a few years ago in the Championship sprinting events. He holds the 1/4 mile indoor championship, while he has also a mark of 23 seconds flat in the 1/2 mile, which was held during Carnival week at the Wanderers track in 1920, having defeated Holmes, Ross and Charlie Hall at that time. Stanton is also well known for his hockey prowess. He is a player member of the Amherst Hockey Team of the Nova Scotia League, having played against New Glasgow, Moncton and Halifax Senior teams. Last winter he had a try-out with the Toronto St. Pats, who later won the World's Championship. He did not make the team, owing to not being weighty enough. He plays forward and defence positions. A youngest brother of the Jackson family, named Avery, is well known through the Provinces as a brilliant baseball player, having figured with Dartmouth in the Dartmouth Senior League. He is noted for his spectacular catches in the outer gardens, while last season he came second in the league batting list. The Jackson boys are visiting Newfoundland for the first time, and from what they have already witnessed in St. John's they bespeak for themselves a very enjoyable stay. Laurie Jackson comes to St. John's well recommended by the Halifax sports, and they have every hope that their second best bet of Canada will uphold his past reputation. Jackson is a splendid type of athlete, and can be relied upon as one of the finest runners ever trod our shores. He is physically fit, and running in splendid form, and it can be safely vouched for that the coming race will be hotly contested from start to finish.

Severe Kidney Trouble

Mrs. F. Rinehart, Campbellville, Ont., writes:
"I had trouble with my kidneys and very frequent urination. This was followed by pains which at times were very severe. The doctor said I had inflammation of the bladder and that an operation might be necessary. To this I refused, and began using Dr. Chase's Kidney-Liver Pills. From the first few doses I felt the benefit. The pains left, urination was corrected, and I have had no recurrence of these ailments."
