The Police of Canada have established 37 feet as the distance in which a motor car should stop when travelling twenty miles an hour.

In recent official Canadian tests, before seven hundred spectators, a 1924 Buick, going twenty m.p.h., stopped in the record distance of—

16 FEET 8 1/2 INCHES.

The reason?

FOUR-WHEEL BRAKES.

Why Do We Snore?
Because the relaxation of sleep permits the soft palate to fall and partly close the air passage. Then, as we breathe, this falls vibrates with a hoarse rattle. When Wampole's Aspirin Tablets banish the pain of headache, or upset nerves, result sleep comes easy. Absolutely true aspirin tablets so skillfully made that their beneficial action begins in 15 seconds. Price 20c. Box.
