MILLIONS MORE IN WAGES 

> New York, May 9 .- Advances in railway wages already made or to be made before the end of the year, are now estimated at 100 million dollars for the entire country. This is the figure given by W. C. Brown, president of the New York Central. It includes, of course, nany advances, the details of which have not yet been settled.

Calculated on the Interstate Commerce Commission's statistics as a plovees under the new scale will amount to \$1,227,233,000 a year. This is arrived at by estimating the operating 51 expenses of the present fiscal year 15 from the monthly reports now available. Applying the percentage of la-461 1908, the latest year for which wage f'gures have been published, and adding the 100 million dollars estimated 41 advance in wages this year, the grand 13 total is reached.

The \$1,227,323,000 which, it is mated, will be paid out to employees annually under the new scale compares annually under the new scale compares 1907, the year which holds the record THE EXPECTED DEPRESSION duced after the 1907 panic, so that this year's advances are on top of those New York Stock Market Went Through which were made in 1906 and the early part of 1907. The proportion of labo cost to total operating expenses has in-New York, May 9.—The stock market creased steadily for several years.

There is quality in lumber; do not forget that. Poor lumber means a cold crude house; difficult to live in; difficult to rent, and difficult to sell. We carry cheap lumber suitable for some purposes, but the kind you want in your new house we make a specialty of Inquire about our hardwood flooring. It costs you little more than fir and it adds greatly to the value of your house. We store our high grades in completely enclosed warehouses which give protection from dust, rain and sun. Our purchases are of such magnitude that we can demand the best of lumber for the least money. Our customers get the benefit! Inspection of any one of our thirty-six yards will satisfy you as to this. Two yards in Calgary.
